**Non-cash financing and investing activities**

2.1 Details of financing and investing transactions which have had a material effect on consolidated assets and liabilities but did not involve cash flows

In the previous quarter (7 <sup>th</sup> December 2010) Mesoblast completed the acquisition of Angioblast Systems, Inc., by way of issuing 94,590,000 Mesoblast securities in exchange for the outstanding stock in Angioblast that Mesoblast did not already own. As a result, Mesoblast acquired the net assets of Angioblast Systems, Inc. This was a non-cash transaction. Cash acquired as part of the acquisition has been included in the opening balance of cash for the period. The cashflow for the full year of Angioblast has been incorporated into this quarterly cash report in accordance with Australian Accounting Standards.

## Notes

1. The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity wanting to disclose additional information is encouraged to do so, in a note or notes attached to this report.
2. The definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report except for any additional disclosure requirements requested by AASB 107 that are not already itemised in this report.
3. **Accounting Standards.** ASX will accept, for example, the use of International Financial Reporting Standards for foreign entities. If the standards used do not address a topic, the Australian standard on that topic (if any) must be complied with.
