REASONS FOR THE PLACING AND SUBSCRIPTION AND USE OF PROCEEDS

The Company is principally engaged in the manufacturing and trading of handbag products and related accessories, the manufacturing of garments, and the provision of related subcontracting services in Hong Kong, the People's Republic of China and Cambodia, and the production and sale of dairy products in the People's Republic of China. In view of the current market conditions, the directors of the Company consider that the Placing and Subscription represents a good opportunity to raise further working capital for the Company while at the same time broadening its shareholder and capital base.

The net proceeds from the Subscription of approximately HK\$6,320,000 (assuming the Placing Shares are fully placed) will be used by the Group for general working capital purposes.

EQUITY FUNDRAISING ACTIVITIES IN THE PAST TWELVE MONTHS

In the 12 months immediately preceding this announcement, the Company raised aggregate net proceeds of approximately HK\$63,160,000, as follows:

- (i) As to HK\$52,700,000, by way of a rights issue of 100,000,000 Shares at HK\$0.54 each, which completed on 18 August 2005. The entire amount of such proceeds has been applied to the acquisition of a 70% equity interest in the Company's subsidiary 蓓蕾(天津)乳業有限公司 (Beilei (Tianjin) Dairy Co., Ltd.), as contemplated in the Company's announcement dated 13 September 2005 and its shareholder circular dated 29 November 2005.
- (ii) As to HK\$10,460,000, by way of a top-up placing of 20,000,000 Shares at HK\$0.54 each, which completed on 21 April 2006 (the "First Placing"). Such proceeds have been and will be applied for the Group's general working capital purposes, as contemplated in the Company's announcement dated 7 April 2006. The Company has considered it desirable to enter into the Placing and Subscription Agreement and the transactions thereunder prior to the full expenditure of the proceeds from the First Placing, as it considers that, due to market reasons, the current time is a good opportunity for the Company to further broaden its shareholder and capital base.

Save as disclosed above, the Company has not conducted any equity fundraising activities in the 12-month period preceding the date of this announcement.
