CONSENT SOLICITATION

Background to the Consent Solicitation

The Issuer and the Guarantor have given holders of the Notes a notice of meeting dated 14 September 2020 in connection with the solicitation of consents by an Extraordinary Resolution by way of Circulating Resolution by Electronic Consent or, where the Extraordinary Resolution has not been approved by Electronic Consent, at a Meeting, for approval of the Proposal. A consent solicitation memorandum (the “**Consent Solicitation Memorandum**”) dated 14 September 2020 has been prepared by the Issuer and the Guarantor and has been made available via the Consent Website to Noteholders in connection with the Consent Solicitation. **Noteholders should refer to the Notice and the Consent Solicitation Memorandum for details of the Consent Solicitation.**

Unless the contrary is stated, or the context otherwise requires, terms and expressions defined in the Consent Solicitation Memorandum shall have the same meanings when used in this announcement.

The Proposal

The Issuer and the Guarantor are inviting Noteholders to approve, by an Extraordinary Resolution pursuant to the Conditions and the Meeting Provisions, the Proposal, comprising the Restructuring, the

waiver of any put right, default or breach of the Conditions that may otherwise arise in connection with the Restructuring, and amendments to the Conditions relating to (i) the substitution of the Guarantor with PCGI Holdings and any consequential changes as a result, and (ii) the provision of flexibility in relation to any potential merger, consolidation, sale or transfer of the Issuer, FWD Limited and any subsidiary of PCGI Holdings.

Circulating Resolution by Electronic Consent

If Electronic Consent is granted, the Extraordinary Resolution will take effect at the Electronic Consent Deadline, as if the Extraordinary Resolution was passed at the Meeting and shall be binding on all holders of the Notes whether or not they participated in the Electronic Consent. In this circumstance, (i) the Extraordinary Resolution will not be put to the Meeting and the Meeting shall be cancelled by way of notice to Noteholders through the Clearing Systems as soon as practicable after such Electronic Consent is granted and (ii) the Notes that are the subject of such Voting Instructions will be unblocked on the date falling one Business Day following the announcement by the Issuer and/or the Guarantor that Electronic Consent has been granted.

Indicative Timetable of the Consent Solicitation

Set out below is an indicative timetable for the timing of the Consent Solicitation and the Proposal, which will depend, among other things, on timely receipt (and non-revocation) of instructions, the rights of the Issuer and the Guarantor to extend, re-open, amend and/or terminate the Consent Solicitation (other than the terms of the Extraordinary Resolution) as described in the Consent Solicitation Memorandum and the passing of the Extraordinary Resolution at the Meeting. Accordingly, the actual timetable may differ significantly from the timetable below and Noteholders should refer to the Consent Solicitation Memorandum for further details.

Noteholders are advised to check with any bank, securities broker or other intermediary through which they hold their Notes when such intermediary would need to receive instructions from a Noteholder in order for such Noteholder to participate in, or (in the limited circumstances in which revocation is permitted) to validly revoke their instruction to participate in, the Consent Solicitation and/or vote in respect of the Proposal before the deadlines specified above. The deadlines set by any such intermediary and each Clearing System for the submission and (where permitted) revocation of Voting Instructions will be earlier than the relevant deadlines above. Noteholders should refer to the “Procedures for Participating in the Consent Solicitation and/or voting in respect of the Proposal” as set out in the Consent Solicitation Memorandum for further details.

In light of the ongoing developments in relation to COVID-19, it may become impossible or inadvisable to hold the Meeting at the offices of Linklaters at Level 11, Alexandra House, Chater Road, Central, Hong Kong. In such event, the Fiscal Agent may prescribe further regulations regarding, among other things, the holding of the Meeting, which may include holding the Meeting by audio or video conference call. In such circumstances, those Noteholders who have indicated that they wish to attend any such Meeting in person will be provided with further details about access to the Meeting. Noteholders who have requested that their votes be cast in accordance with a valid Voting Instruction submitted by the Expiration Time (or, if earlier, before the expiration time and/or date set by the relevant Clearing System) will not be affected by these alternative regulations and will not be required to take any further action.

Rationale for the ProposalBackground

The principal activity of both the Guarantor and PCGI Intermediate Holdings Limited is investment holding, and their assets consist primarily of their holding of shares in FWD Limited and FWD Group Limited respectively. In addition, each of the Guarantor and PCGI Intermediate Holdings Limited has also provided a guarantee in respect of the Notes and the PCGII Notes respectively.

The Guarantor is wholly-owned by the Principal. PCGI Intermediate Holdings Limited is wholly-owned by PCGI Holdings Limited, which is in turn wholly-owned by the Principal.

PCGI Holdings was incorporated as an exempted company on 18 March 2013 in the Cayman Islands and its registered office is located at Vistra (Cayman) Limited, P. O. Box 31119 Grand Pavilion, Hibiscus Way, 802 West Bay Road, Grand Cayman, KY1-1205 Cayman Islands. The principal activity of PCGI Holdings is investment holding and its assets, as at the date of this Consent Solicitation Memorandum,

consist primarily of its holding of shares in PCGI Intermediate Holdings Limited. The Group Financial Statements are appended to the Consent Solicitation Memorandum.

As part of a wider corporate restructuring exercise, the Guarantor is seeking to merge with PCGI Intermediate Holdings Limited, in accordance with the Companies Law (as amended) of the Cayman Islands laws, whereupon the Guarantor will be dissolved and PCGI Intermediate Holdings Limited will be the surviving entity which will assume all of the assets and liabilities of the Guarantor (the “**Merger**”). In addition, the restructuring will also involve the transfer of the entire issued share capital in each of the Issuer and PCGI Intermediate Holdings (II) Limited to PCGI Holdings and the novation of any indebtedness and/or guarantees of the Guarantor and PCGI Intermediate Holdings Limited to PCGI Holdings (together with the Merger, the “**Restructuring**”). The Guarantor believes that the Merger (subject to obtaining all relevant consents and waivers) will occur before 31 December 2020 but there is no assurance that it will happen by such date, or at all.

The Guarantor and PCGI Intermediate Holdings Limited actively considers and has in the past, and may from time to time, provide funding to FWD Limited and/or FWD Group Limited through equity funding or otherwise to support the capital needs of FWD Limited and/or FWD Group Limited.

Rationale

The Restructuring seeks to unify the ownership structure of the various PCG entities under a common investment holding entity, PCGI Holdings (collectively, the “**Group**”). The Issuer and the Guarantor believe this will enhance the Group’s organisational efficiency.

The Guarantor may also consider other corporate restructurings in the future, including of FWD Limited and/or FWD Group Limited to further enhance organisational efficiencies.

Early Consent Fee

The Issuer and the Guarantor will pay to each Noteholder from whom a valid Voting Instruction in favour of the Extraordinary Resolution is received by the Information and Tabulation Agent by the Early Consent Deadline, an amount equal to 0.15 per cent. of the aggregate principal amount of the Notes that are the subject of such Voting Instruction (the “**Early Consent Fee**”). Where payable, the Issuer and the Guarantor will pay the Early Consent Fee in respect of the Notes that are the subject of such Voting Instructions no later than the Settlement Date.

If the Extraordinary Resolution is passed, the Proposal will be binding on all Noteholders (including the Registered Holder) including those Noteholders who vote against the proposal or did not vote at all. For the avoidance of doubt, the passing of the Extraordinary Resolution, from the date of the Extraordinary Resolution, constitutes the consent of Noteholders to the Proposal and the Restructuring in full in accordance with the terms of the Extraordinary Resolution. However, the implementation of the Merger and execution of the Second Supplemental Agency Agreement, the New Deed of Covenant and the New Deed of Guarantee are conditions to the payment of the Early Consent Fee. It is a further condition of the Issuer’s and/or the Guarantor’s obligation to pay the Early Consent Fee that the PCGII Extraordinary Resolution has been passed (unless waived). Unless otherwise waived by the Issuer and the Guarantor, the implementation of the Merger is conditional upon the passing of the Extraordinary Resolution and the PCGII Extraordinary Resolution. Accordingly, if either the Extraordinary Resolution or the PCGII Extraordinary Resolution is not passed, unless otherwise waived by the Issuer and the Guarantor, the Merger will not be implemented and no consent fee shall be payable to any Noteholder.

If the Extraordinary Resolution is not passed, the Proposal will not come into effect and will not be binding on any of the Noteholders and no consent fee shall be payable to any Noteholder.

Noteholders may continue to submit valid Voting Instructions after the Early Consent Deadline but before the Expiration Time. However, such Noteholders will not be eligible to receive any consent fee.

Noteholders should refer to the Consent Solicitation Memorandum for details and applicable conditions in connection with the payment of the Early Consent Fee.

Amendment and Termination

Notwithstanding any other provision of the Consent Solicitation or the Proposal, the Issuer and the Guarantor may, subject to applicable laws and as provided in the Consent Solicitation Memorandum, at their option and in their sole discretion, at any time before the Expiration Time (or, where there is an adjourned Meeting, 48 hours before the time set for any such adjourned Meeting):

- (a) extend the Early Consent Deadline or Expiration Time or re-open the Consent Solicitation, as applicable, in which case all references in the Consent Solicitation Memorandum to the Expiration Time shall, unless the context otherwise requires, be to the latest time and date, as the case may be, to which the Expiration Time has been so extended or the Consent Solicitation re opened;
- (b) otherwise extend, re-open or amend the Consent Solicitation (other than the terms of the Extraordinary Resolution) in any respect (including, but not limited to, any amendment in relation to the Early Consent Fee); or
- (c) terminate the Consent Solicitation, including with respect to Voting Instructions submitted before the time of such termination.

The Issuer and the Guarantor also reserve the right at any time to waive any or all of the conditions of the Consent Solicitation as set out in the Consent Solicitation Memorandum and Noteholders should refer to the Notice and the Consent Solicitation Memorandum for details.
