CONSIDERATION

The aggregate consideration paid under the Sale and Purchase Agreements was HK\$19,200,000 in cash, a sum which was determined following arms' length negotiations between the parties.

The consideration comprised a payment of HK\$2,110,440 for the entire issued share capital of Banyan Tree Limited; HK\$1 for the entire issued share capital of Indigo Living Limited which has a shareholders' deficit of approximately HK\$4.5 million; and HK\$17,089,559 for the assignment to Pacific Legend Development Limited of a loan owed by Indigo Living Limited to DFLMC totalling HK\$21,026,436. The assignment of the Loan for HK\$17,089,559 represented a discount of 18.7% to its face value. Following arm's length negotiation, the parties determined this to be its fair value given Indigo's negative net asset value of approximately HK\$4.5 million as at 31 December 2005 which would preclude any repayment of the Loan in the short-term. The consideration was paid in full in cash at completion.

The consideration was negotiated mainly by reference to the combined net asset value of Indigo Living Limited and Banyan Tree Limited after taking into account the assignment of the Loan to Pacific Legend Development Limited.

DISCLOSABLE TRANSACTION

The sale proceeds from the Disposals exceeded 5% but were less than 25% of the relevant threshold tests under Rule 14.06 of the Listing Rules. The Disposals therefore constituted a disclosable transaction for the Company under the Listing Rules.

INFORMATION ON INDIGO LIVING LIMITED AND BANYAN TREE LIMITED

Indigo Living Limited, a wholly-owned subsidiary of the Company, is principally engaged in the sale and leasing of furniture, art and soft furnishings.

Banyan Tree Limited, a wholly-owned subsidiary of the Company, is principally engaged in the provision of management services to Indigo Living Limited following the sale of its inventories to Indigo Living Limited and ceasing sales of furniture and home furnishings in late 2004.

The two companies represented a single business of Tai Ping Carpets Group. The pro-forma combined financial results of Indigo Living Limited and Banyan Tree Limited are compiled based on their audited results (after eliminating any inter-company sales and profits between the two companies) for the years ended 31 December 2005 and 2004, respectively:

	2005 <i>HK\$'000</i>	2004 <i>HK\$'000</i>
(Loss)/profit before taxation	(4,222)	2,536
(Loss)/profit after taxation	(3,355)	2,387

The combined loss for the year ended 2005 included a charge of approximately HK\$5.2 million to provide for the impairment in value of certain slow-moving inventories.

The combined net asset value of Indigo Living Limited and Banyan Tree Limited as at 31 December 2005 (excluding the balances with other Tai Ping Carpets Group companies) amounted to approximately HK\$23.1 million.

An estimated loss of approximately HK\$3.9 million before direct expenses will result from the Disposals, being the difference between the total consideration of HK\$19.2 million and the combined carrying value of net assets of Indigo Living Limited and Banyan Tree Limited of approximately HK\$23.1 million (after taking into account the assignment of the Loan to Pacific Legend Development Limited). The loss resulting from the Disposals represented a 16.9% discount to the combined net asset value mentioned above. Direct expenses are estimated to be approximately HK\$0.7 million, which include legal and consultancy fees and stamp duties.

Following the Disposals, neither Indigo Living Limited nor Banyan Tree Limited will continue to be subsidiaries of the Company.

REASONS FOR AND BENEFITS OF THE DISPOSALS

Market competition in the furniture and home furnishing business in Hong Kong is intense and Indigo Living Limited and Banyan Tree Limited's overall profitability, as well as the return on assets deployed, were relatively low during the past few years. While Indigo Living Limited and Banyan Tree Limited represented non-core businesses to Tai Ping Carpets Group, significant working capital was needed to carry substantial inventories which bore a relatively high obsolescence risk.

The Directors of the Company intend to deploy the Company's management and financial resources to focus on growing the carpets business.

In view of the relatively low profitability and return on assets deployed and, further, as the Disposals did not represent a core business of Tai Ping Carpets Group, the Directors of the Company (including the independent non-executive Directors) believe the terms of the Disposals are fair and reasonable and in the interests of Shareholders as a whole.

The net proceeds from the Disposals of approximately HK\$18.5 million will be used as general working capital by the Company.
