## James Hardie Industries NV and Subsidiaries

### To the Board of Directors and Shareholders of James Hardie Industries N.V. and Subsidiaries

In our opinion, the accompanying consolidated balance sheets and the related consolidated statements of operations, cash flows and changes in shareholders' equity present fairly, in all material respects, the financial position of James Hardie Industries N.V. and Subsidiaries at 31 March 2006 and 2005, and the results of their operations and their cash flows for each of the three years in the period ended 31 March 2006 in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the company's management. Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits of these statements in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As discussed in Notes 12 and 13 to the consolidated financial statements, the company is subject to certain significant contingencies, including asbestos-related claims against former subsidiaries for which a provision in an amount representing the company's best estimate of the probable outcome has been established; a Special Commission of Inquiry established by the government of New South Wales, Australia; a Final Funding Agreement; an investigation by the Australian Securities and Investments Commission; an offer of an indemnity to ABN 60 together with a related commitment to provide funding to the Medical Research and Compensation Foundation; and a significant amended tax assessment from the Australian Tax Office.
