## Marengo Announces Further Key Appointment

---

Marengo Mining Limited (ASX & POMSx Code: MGO) is pleased to announce the appointment of Mr Sam Akoitai to the board of its Papua New Guinea ("PNG") operating subsidiary, Marengo Mining (PNG) Limited, the holding company for its 100% owned Yandera Copper-Molybdenum Project.

Mr Akoitai was a member of the national parliament of PNG from 1997 until mid 2007, serving firstly as Minister for Bougainville Affairs (1997-2000) and subsequently as Minister for Mining from 2002 until the recent national elections. He also implemented the establishment of PNG's Mineral Resources Authority, the statutory authority which now regulates the mining industry in that country.

Commenting on the appointment, Marengo Mining's Managing Director, Mr Les Emery, said "We are very pleased to welcome Mr Akoitai to the Marengo team and see this as yet another building block in our strategy to maximise PNG involvement in the future development of the Yandera Project."

"Given Mr Akoitai's exposure to the PNG mining industry, during his parliamentary career and previously through his employment with Bougainville Copper Limited, he will contribute greatly to the project in the current definitive feasibility stage and through into development", he added.

A handwritten signature in black ink, appearing to read 'Les Emery', is positioned above the typed name and title.
