

22 February 2008

Dear Shareholder

NOTICE OF GENERAL MEETING – 28 MARCH 2008

You will find enclosed a Notice of Meeting for a General Meeting of Shareholders, to be held at 10.00am (AWDT) on Friday 28 March 2008.

On 9 July 2007, the Board of Marengo Mining Limited ("Company") announced its intention to apply for listing of the Company's securities on the Toronto Stock Exchange ("TSX"), with this listing being achieved through a public offering of shares in the Company, pursuant to a Canadian compliant prospectus ("the Offer").

The Company filed a preliminary prospectus ("the Prospectus") with respect to the public offering in certain provinces of Canada on 9 November 2007 and applied for listing on the TSX. Since that date, the Company has not commenced the marketing of securities pursuant to the Prospectus, due to the instability of world equity markets.

Previous Shareholder approval to issue the securities pursuant to the Prospectus expires on 31 March 2008 (following an ASX granted waiver announced on 8 February 2008).

It is the Company's intention to commence this marketing phase as soon as it is considered opportune and in order to ensure that this process can be completed, it is considered prudent to again seek shareholder approval, to extend the timeframe for this exercise to take place.

Please note that it is the intention of the Board to only utilise either the existing approvals or the resolutions proposed at this General Meeting, not both.

Given the continued volatility in world equity markets, it is still not possible to forecast when the TSX process will be finalised, however we wish to assure you, that your Board is committed to this direction and will continue to work with its Canadian agents (led by Paradigm Capital Inc of Toronto) towards achieving this goal.

The TSX is the largest stock exchange in the world for trading mineral resource securities and has a long history of supporting and financing mining projects. This is supported by the fact a number of the Company's peers are listed on this exchange.

Should you have any queries on the matters covered by this correspondence please do not hesitate to contact our office.

We thank you for your continued support.

Yours sincerely

Les Emery

NOTICE OF GENERAL MEETING

EXPLANATORY MEMORANDUM

This Explanatory Memorandum is intended to provide Shareholders in Marengo Mining Limited ABN 57 099 496 474 ("**Company**") with all the information known to the Company that is material to the decision of Shareholders on how to vote on the resolutions contained in the Notice of General Meeting of the Company.

The Directors recommend that Shareholders read this Explanatory Memorandum in full before making any decision in relation to the resolutions.

The following information should be noted in respect of matters contained in the Notice of General Meeting:

Resolution 1 Share Placement Facility

Background

On 9 July 2007, the Board announced its intention to list the Company's securities on the Toronto Stock Exchange ("**TSX**"), with such listing to be achieved through a public offering of Shares in Canada pursuant to a Canadian compliant prospectus ("**Offer**").

The TSX is the largest stock exchange in the world for trading mineral resource securities and the listing will expose Marengo Mining to a deeper investor market and expose Shareholders to the main exchange for large scale mining projects. Many of the Company's peers are currently trading on the TSX. The listing does not affect the Company's status as a listed company on ASX.

The Company lodged a preliminary prospectus with the British Columbia Securities Commission on 9 November 2007 and will be lodging a final prospectus evidencing the final pricing and terms of the Offer as determined in the agency agreement, expected to be about the time of this General Meeting.

The Company seeks, pursuant to this Resolution 1, approval to issue of up to 103,500,000 Shares as detailed below.

The Resolution

Resolution 1 seeks shareholder approval for the allotment and issue of up to 103,500,000 Shares. Up to 90,000,000 Shares are proposed to be issued to investors introduced by Paradigm Capital Inc., the lead agent to the Offer ("**Paradigm**"). The Company has also agreed to give Paradigm an option to subscribe for a further maximum of 13,500,000 Shares. Further details with respect to the Company's lead broker arrangements with Paradigm are set out below.

The effect of Resolution 1 will be to allow the Directors to issue up to 103,500,000 Shares during the period of 3 months from the date of the General Meeting (or longer period if allowed by the ASX), without using the Company's 15% placement capacity available under Listing Rule 7.1.

The following information is provided to Shareholders pursuant to and in accordance with Listing Rule 7.3.

- (a) The maximum number of Shares proposed to be issued is 103,500,000, representing approximately 47.71% of the total number of issued Shares prior to the issue under the Offer (44.38% on a fully diluted basis) and 32.30% post the issue under the Offer (and

EXPLANATORY MEMORANDUM

assuming all 103,500,000 Shares are issued) (30.74% on a fully diluted basis). Further details relating to the capital structure of the Company is set out in this Explanatory Memorandum.

- (b) The Shares will be issued at a price that is not less than 80% of the average market value price for the Company's Shares calculated over the last 5 days on which sales of Shares were recorded before the date of execution of an agency agreement with Paradigm Capital Inc.
- (c) The Shares will rank equally with the Company's current issued Shares.
- (d) The Shares will be issued no later than 3 months after the date of the General Meeting (or such later date to the extent permitted by an ASX waiver under the Listing Rules). It is intended that allotment of up to 90,000,000 Shares will occur on one date and allotment of up to 13,500,000 Shares will occur on a different date.
- (e) The Directors (in conjunction with Paradigm Capital Inc.) will determine to whom up to 90,000,000 Shares will be issued but these persons will not be related parties to the Company. The allottee of the remaining up to 13,500,000 Shares will be Paradigm Capital Inc. or a nominee of Paradigm Capital Inc. on behalf of investors introduced by Paradigm Capital Inc. Paradigm Capital Inc. is not a related party of the Company.
- (f) At the date of this Notice of General Meeting, the Company has approximately AUD\$16.6 million cash on hand. Based on the Company's current operating plans and business objectives, it is intended that the net funds raised through the Offer will be directed toward additional working capital for the Company, primarily in relation to completion of a definitive feasibility study into the economic potential of the Company's Yandera Copper/Molybdenum Project in Papua New Guinea.

The Company has agreed to grant Paradigm Capital Inc. a number of Options equal to 6.5% of the number of Shares sold under the Offer. The Options proposed to be granted to Paradigm Capital Inc. will be exercisable at the same issue price under the Offer and expire on the date which is 18 months of the closing date of the Offer. Shareholder approval for the grant of these Options is being sought pursuant to Resolution 2.

As stated above, the Company expects to enter into an agency agreement with Paradigm Capital Inc., pursuant to which Paradigm Capital Inc. agrees to act as lead broker to the Offer. The Company will grant Paradigm Capital Inc. an over-allotment option which entitles Paradigm Capital Inc. to purchase from the Company up to an additional 15% of the total Shares issued under the Offer at the same issue price under the Offer. The over-allotment option will be exercisable by Paradigm Capital Inc. for a period of 30 days after the Offer closes. The total number of Shares the subject of this Resolution 1 includes the Shares the subject of the over-allotment option.

For their broking services, Paradigm Capital Inc. will receive a cash commission of 6.5% of the gross proceeds raised under the Offer, including any proceeds resulting from the issue of Shares the subject of the over-allotment option mentioned above.

This Resolution was approved by shareholders at 28 November 2007 General Meeting (Resolution 1) and the ASX on 8 February 2008 granted a waiver to the Company allowing

allotment of the Shares (initially 3 months after date of general meeting) to be extended by one month to 31 March 2008.

The Company is not seeking approval to issue another additional 103,500,000 Shares, but merely an extension of time beyond 31 March 2008. It is considered prudent to seek this shareholder approval to ensure that the Company has maximum flexibility in finalising the listing of the Company on the TSX.

The Company will not issue Shares in the Company pursuant to both Resolution 1 of 28 November 2007 General Meeting and this Resolution (Resolution 1 of 28 March 2008 General Meeting). Shares will only be issued pursuant to either Resolution but not both.

Resolution 2 – Grant of Options to Paradigm Capital Inc.

Resolution 2 seeks shareholder approval for the allotment and issue of up to 5,850,000 Options to Paradigm Capital Inc., the lead manager to the offer the subject of Resolution 1.

As stated above, the Company has agreed to grant Paradigm Capital Inc. that number of Options which is equal to 6.5% of the number of Shares sold under the Offer. The Options proposed to be granted to Paradigm Capital Inc. will be exercisable at the same issue price under the Offer and expire on the date which is 18 months of the closing date of the Offer. The terms and conditions of the Options to be granted to Paradigm Capital Inc. are set out in Annexure A of this Explanatory Memorandum.

The following information is provided to Shareholders pursuant to and in accordance with Listing Rule 7.3.

- (a) The maximum number of Options proposed to be granted is 5,850,000.
- (b) The Options will be granted for no consideration.
- (c) No funds will be raised from the grant of the Options.
- (d) The terms and conditions of the Options are set out in Annexure A of this Explanatory Memorandum.
- (e) The Options will be granted no later than 3 months after the date of the General Meeting (or such later date to the extent permitted by an ASX waiver under the Listing Rules). It is intended that allotment of the Options will occur on one date.
- (f) The allottee of the Options will be Paradigm Capital Inc. or a nominee of Paradigm Capital Inc. Paradigm Capital Inc. is not a related party of the Company.

This Resolution was approved by shareholders at 28 November 2007 General Meeting (Resolution 2) and the ASX on 8 February 2008 granted a waiver to the Company allowing allotment of the Options (initially 3 months after date of general meeting) to be extended by one month to 31 March 2008.

The Company is not seeking approval to issue another additional 5,850,000 Options, but merely an extension of time beyond 31 March 2008. It is considered prudent to seek this

shareholder approval to ensure that the Company has maximum flexibility in finalising the listing of the Company on the TSX.

The Company will not issue Options in the Company pursuant to both Resolution 2 of 28 November 2007 General Meeting and this Resolution (Resolution 2 of 28 March 2008 General Meeting). Options will only be issued pursuant to either Resolution but not both.

- (a) Subject to option terms 6, 7 and 8, each option entitles the registered option holder to subscribe for and be allotted one ordinary share in the capital of Marengo Mining Limited ("**Company**"), credited as fully paid, at an exercise price equal to the issue price of the Shares issued pursuant to the TSX Prospectus per share ("**Exercise Price**") as the case may be.
- (b) The Company must, as soon as it is reasonably practicable to do so, allot shares on exercise of the option in accordance with the listing rules ("**Listing Rules**") of ASX and register the option holder or its nominee as a shareholder in the register of members in respect of the shares so allotted. No option may be exercised if to do so would contravene the Corporations Act or the Listing Rules.
- (c) Shares issued on the exercise of options will rank pari passu with all existing ordinary shares in the capital of the Company from the date of issue.

2. Exercise of Options

- (a) An option is exercisable by the registered option holder lodging the notice of exercise of option in the form set out below together with, subject to option terms 7, 8 and 9, the Exercise Price for each share to be issued on exercise and the relevant option holding statement, at any office of the Company's share registrar. The exercise of some options only does not affect the registered option holder's right to exercise other options at a later time.
- (b) Remittances must be made payable to the Company and cheques should be crossed "not negotiable".

- (b) an option has been exercised, but shares the subject of the exercise have not been issued in fulfilment of the Company's obligation in that regard, before the record date for determining entitlements to the bonus issue,

then the number of shares over which the option is exercisable or has been exercised (as the case may be) will be increased by the number of securities which the holder of the option would have received if the option had been exercised before the record date for the bonus issue.
