NEWS RELEASE

**MARENGO MINING LIMITED ANNOUNCES PRICE OF
EQUITY FINANCING**

TORONTO, Ontario (March 14, 2012) – Marengo Mining Limited (“**Marengo**” or the “**Company**”) (TSX: **MRN**, ASX and POMSoX: **MGO**) is pleased to announce that it has priced the best efforts offering previously announced on March 13, 2012 (the “**Offering**”). The effective price per ordinary share of the Company offered under the Offering is C\$0.25 (the “**Effective Price**”). The Offering is being led by Paradigm Capital Inc. (“**Paradigm**”) and includes Casimir Capital Ltd. (“**Casimir**”) (together, the “**Agents**”).

Each Unit will consist of one ordinary share (an “**Ordinary Share**”) of the Company and one subscription receipt (a “**Subscription Receipt**”). Upon receipt of shareholder approval required pursuant to the listing rules of the Australian Securities Exchange (the “**Release Condition**”), which is required for an issuance of Ordinary Shares in excess of 15% of Marengo’s outstanding Ordinary Shares, each Subscription Receipt will be automatically converted into one ordinary share of the Company.

Pending satisfaction of the Release Condition, that portion of the proceeds received in respect of the Subscription Receipts (the “**Escrowed Proceeds**”) will be held in escrow. In the event that the Release Condition is not satisfied within 35 days following receipt for the final prospectus, the Escrowed Proceeds, plus interest thereon, will be returned to the holders of the Subscription Receipts.

The Company has also granted the Agents an over-allotment option (the “**Over-Allotment Option**”) to purchase up to such number of additional Subscription Receipts at the Effective Price as is equal to 15% of the aggregate number of Ordinary Shares and Subscription Receipts issued pursuant to the Offering. Subscription Receipts issued upon exercise of the Over-Allotment Option will only be converted into the underlying Ordinary Shares upon satisfaction of the Release Condition and on the same terms and conditions of the Offering.

The net proceeds from the Offering will be used to finalise Marengo’s feasibility study (“**FS**”), advance the Company’s district exploration program at the Yandera copper-molybdenum-gold deposit located in Madang Province, Papua New Guinea (the “**Yandera Project**”), as well as for permitting and other pre-construction expenditures relating to the Yandera Project, and for general corporate and working capital purposes.

Cautionary Statement Regarding Forward-Looking Information

This news release contains forward looking information. Such forward-looking information is often, but not always, identified by the use of words such as "seek", "anticipate", "believe", "plan", "estimate", "expect" and "intend" and statements that an event or result "may", "will", "should", "could", or "might" occur or to be achieved and any other similar expressions. In providing the forward-looking information in this news release, the Company has made numerous assumptions regarding: (i) the accuracy of exploration results received to date; (ii) anticipated costs and expenses; (iii) that the results of the DFS continue to be positive; and (iv) that future exploration results are as anticipated. Management believes that these assumptions are reasonable. Forward-looking information is subject to known and unknown risks, uncertainties and other factors that could cause actual results to differ materially from those contained in the forward-looking information. Some of these risks, uncertainties and other factors are described under the heading "Risks Factors" in the Company's annual information form available on the SEDAR website. Forward-looking information is based on estimates and opinions of management at the date the statements are made. Except as required by law, Marengo does not undertake any obligation to update forward-looking information even if circumstances or management's estimates or opinions should change. Readers should not place under reliance on forward-looking information.
