**CAUTIONARY NOTES:**

Certain statements in this report contain forward-looking information. These statements address future events and conditions and, as such, involve known and unknown risks, uncertainties and other factors, which may cause the actual results, performance or achievements to be materially different from any future results, performance or achievement expressed or implied by the statements. Such factors include among others, the results of future exploration, risks inherent in resource estimates, increases in various capital costs, availability of financing and the acquisition of additional licences, permits and surface rights. Readers are cautioned not to place undue reliance on these forward looking statements, which speak only as if the date the statements were made, and readers are advised to consider such forward looking statements in the light of the risks set forth in the Company's continuous disclosure filings, as found at the (Canadian) SEDAR website.
