CAUTIONARY NOTES:

Certain statements in this report contain forward-looking information. These statements address future events and conditions and, as such, involve known and unknown risks, uncertainties and other factors, which may cause the actual results, performance or achievements to be materially different from any future results, performance or achievement expressed or implied by the statements. Such factors include among others, the results of future exploration, risks inherent in resource estimates, increases in various capital costs, availability of financing and the acquisition of additional licences, permits and surface rights. Readers are cautioned not to place undue reliance on these forward looking statements, which speak only as if the date the statements were made, and readers are advised to consider such forward looking statements in the light of the risks set forth in the Company's continuous disclosure filings, as found at the (Canadian) SEDAR website.

This news release does not constitute an offer to sell or the solicitation of an offer to buy any ordinary shares within the United States. The ordinary shares have not been offered and will not be registered under the United States Securities Act of 1933, as amended (the "1933 Act"), or any state securities laws. Accordingly, the ordinary shares may not be sold or offered in the United States, or to any U.S. persons (as such terms are defined in Regulations under the 1933 Act) unless registered under the 1933 Act and applicable state securities laws, or an exemption from such registration are granted.
