MARENGO MINING LIMITED
31 MARCH 2011 INTERIM FINANCIAL REPORT

NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1: BASIS OF PREPARATION OF THE INTERIM FINANCIAL REPORT

These general purpose financial statements for the three and nine month interim reporting periods ended 31 March 2011 have been prepared in accordance with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*.

These interim financial statements do not include all the notes of the type normally included in an annual financial report. Accordingly, these statements are to be read in conjunction with the annual report for the year ended 30 June 2010 and any public announcements made by Marengo Mining Limited during the interim period in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

The accounting policies and methods of computation adopted in the preparation of these interim financial statements are consistent with those adopted and disclosed in the company's 2010 annual financial report for the financial year ended 30 June 2010, except for the impact of the Standards and Interpretations described below. These accounting policies are consistent with Australian Accounting Standards and with International Financial Reporting Standards.

The Group has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board (the AASB) that are relevant to their operations and effective for the current reporting period.

New and revised Standards and amendments thereof and Interpretations effective for the current reporting period that are relevant to the Group include:

- Amendments to AASB 5, 8, 101, 107, 117, 118, 136 and 139 as a consequence of AASB 2009-5 *Further Amendments to Australian Accounting Standards arising from the Annual Improvements Project*

AASB 2009-5 introduces amendments into Accounting Standards that are equivalent to those made by the IASB under its program of annual improvements to its standards. A number of the amendments are largely technical, clarifying particular terms, or eliminating unintended consequences. Other changes are more substantial, such as the classification of expenditures on unrecognised assets in the statement of cash flows.

The adoption of these amendments has not resulted in any changes to the Group's accounting policies and have had no effect on the amounts reported for the current or prior periods.

NOTE 2: ACQUISITION OF SUBSIDIARIES

During the nine month period, two new entities were incorporated with Marengo Mining Limited as the sole shareholder of both. Yandera Mining Company (Holdings) Pty Ltd was incorporated on 12 November 2010 in Australia, and Yandera Mining Company Limited was incorporated on 4 December 2010 in Papua New Guinea. Both entities have been dormant since incorporation.

31 MARCH 2011 INTERIM FINANCIAL REPORT

NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (continued)

NOTE 7: SHARE BASED PAYMENTS (continued)

(h) Option pricing model

The fair value of the equity settled share options granted under the Plan to the employees, directors and suppliers is estimated as at the date of grant using the Black-Scholes European Option Pricing Model taking into account the terms and conditions upon which the options were granted.

The following table lists the inputs to the model used for the nine month periods to 31 March 2011 and 31 March 2010.

	Nine Month Period Ended	
	31 March 2011	31 March 2010
Dividend Yield	0%	0%
Expected volatility	75%	75%
Risk free interest rate	4.53% - 5.32%	4.54% - 5.51%
Expected life (years)	2 – 5	2 – 5
Option exercise price (cents)	C8.4 – A32	C8.6 – A25
Share price at grant date (cents)	9.4 – 29	10.5 – 16

The expected life of the options is fixed at the time of issue and is not necessarily indicative of when they may be exercised. The expected volatility reflects the assumption that historical volatility is indicative of future trends, which may also not necessarily be the actual outcome.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF MARENGO MINING LIMITED

Report on the Quarterly and Nine Month Interim Financial Report

We have reviewed the accompanying quarterly and nine month interim financial report of Marengo Mining Limited, which comprises the condensed statement of financial position as at 31 March 2011, the condensed statement of comprehensive income, condensed statement of changes in equity, and condensed statement of cash flows for the quarter and nine month period ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration for Marengo Mining Limited (the consolidated entity). The consolidated entity comprises both Marengo Mining Limited (the company) and the entities it controlled during the period.

Directors' Responsibility for the Quarterly and Nine Month Interim Financial Report

The directors of Marengo Mining Limited are responsible for the preparation and fair presentation of the quarterly and nine month interim financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001* and for such control as the directors determine is necessary to enable the preparation of the quarterly and nine month interim financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the quarterly and nine month interim financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of Interim Financial and Other Financial Reports Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 March 2011 and its performance for the quarter and nine month period ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Marengo Mining Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a quarterly and nine month interim financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Whilst we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our review was not designed to provide assurance on internal controls.

Our review did not involve an analysis of the prudence of business decisions made by the directors or management.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, has been provided to the directors of Marengo Mining Limited on 12 May 2011.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the quarterly and nine month interim financial report of Marengo Mining Limited is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 March 2011 and of its performance for the quarter and nine month period ended on that date; and
- (b) complying with Accounting Standards AASB 134 Interim Financial Reporting and Corporations Regulations 2001.
