## **Rapid growth leads to management restructure**

Talent2 International Ltd, Australia's leading human resources solutions, recruitment and technology company, announces a management restructure to ready itself for ongoing rapid growth.

**John Rawlinson** will continue as Chief Executive Officer, reporting to managing director Andrew Banks and the board, focusing on full P&L responsibility for the total Talent2 business.

**Mark Brayan** assumes the new role of Chief Operating Officer to support John in the running of the business. Mark has been given the vital task of addressing the delivery and execution of the technology and HRO capabilities.

**Martin Brooke** assumes the role of Chief Financial Officer and includes all financial management responsibilities to John Rawlinson and the board.

**Michael Bermeister** takes on the new role of Company Secretary and Compliance, and continues his Investor Relations functions.

**Paul Jury**, becomes the new National Manager of Talent2 People, taking full P&L responsibility for the \$40 million recruitment business.

**Andrew Banks** remains on as Managing Director, with particular focus on strategy and acquisitions, the development of Asia, global alliances and Investor Relations.
