

Talent2 teams with Coles Myer for Talent Acquisition

Talent2 has been selected to provide an onsite recruitment service for managerial, specialist and head office roles across all Coles Myer brands and functions.

Talent2 was chosen after a comprehensive tender and assessment process, and the arrangement will come into effect from March 2006.

The partnership provides Coles Myer with additional industry expertise to complement its existing, award winning in-house recruitment centre, and will enhance the company's ability to attract the best talent into managerial, specialist and head office roles.

Coles Myer's entry level recruitment, which is predominantly stores-based, will not be covered by this arrangement and will continue to be managed exclusively by Coles Myer Recruitment.

Talent2 will be recruiting on site recruiters for this and other positions across Asia Pacific in coming months.
