

The Western Australian Department of Health Implements Talent2's Alesco HRIS

Talent2 has signed a 9 year contract with the WA Department of Health for the implementation and ongoing support of Talent2's Alesco Human Resource Information System (HRIS).

Today's announcement is the culmination of discussions which started nearly 12 months ago when the Department of Health determined Talent2 to be their HRIS partner. The Department has around 40,000 employees and is one of the largest employers in Australia.

This contract will deliver an implementation fee of approximately \$9m, with ongoing support fees of approximately \$650,000 per annum.

Eileen Aitken, General Manager at Talent2, commented "This contract more than doubles the number of WA Government employees managed within Talent2's Alesco HRIS and is a credit to the credibility and reputation which Talent2 has fostered with the WA Government."
