Talent2 secures new outsourcing deal with Queensland Government

Talent2 International Limited (ASX: TWO) announced today that it had been selected by the Queensland Government, through a competitive tender, as the ICT Contractor Resource Manager.

The three year contract will see Talent2 take responsibility for the implementation and management of a Managed Service Program (MSP) across all 13 Queensland Government Agencies. This program will cover the procurement and performance management of all ICT contractors and suppliers that provide services to the Queensland Government. This program will improve the economy, effectiveness and efficiency of ICT contractor resource management for the Queensland Government.

Anthea Collier, General Manager Client Development, Client Service & Operations for Australia and New Zealand says, "This is a unique and exciting opportunity for Talent2 and we are thrilled to be on board with Queensland Government and looking forward to a close working partnership".

John Rawlinson, Talent2's Chief Executive Officer noted "This deal highlights how smart organisations continue to refocus on the strategic areas of their business, and align themselves with partners that deliver best-practice, innovation and cost effective solutions".
