Talent2 launch Queensland Business Support division

Talent2 International Limited (ASX: TWO) announced today that it has launched a Business Support division in Queensland, which will specialise in supplying permanent and contract services in Accounting and Finance, Technical Administration and Business Services.

Recognising the value of the business support function to their clients, the Talent2 Recruitment and Contacting team in Queensland have extended their services in this area. With the introduction of this new division, Talent2 a leader in the executive recruitment market, has expanded its portfolio to assist clients in the recruitment of business support staff.

This new division offers dedicated consultants who have spent their careers recruiting in the business support market. With a strong reputation and a track record of delivering quality business support solutions to clients and candidates in Queensland, these consultants add some of the best expertise in this field.

“Having built a reputation in executive recruitment, C-Level and specialist professional roles, this new division will allow us to provide more tailored and effective recruitment services to our clients in Queensland. Talent2 is proud to be incorporating this new, targeted strategy into our end-to-end recruitment service” Said Rona McLean, Queensland General Manager, Talent2.
