

[For Immediate Release]

## **China Ting Group Included As A Constituent Stock of HSI Composite and HSI Freefloat Series**

(1 November 2006 – Hong Kong) – **China Ting Group Holdings Limited** (“China Ting Group” or the “Group”; HKEX stock code: 3398), one of the largest silk apparel manufacturers and exporters and a branded fashion retailer in China, is pleased to announce that it has been selected as a constituent stock of the Hang Seng Composite Index Series (“Composite Series”) and Hang Seng Freefloat Index Series (“Freefloat Series”), effective 2 November 2006.

The Hang Seng Composite Index Series consists of the top 200 listed companies in Hong Kong in terms of full market capitalization, while the Hang Seng Freefloat Index Series comprises six indexes and consists of the same 200 listed companies as the Hang Seng Composite Index Series. China Ting Group will become one of the 97 constituents for both Composite Series and Freefloat Series on 2 November 2006, when changes in constituent of Composite Series and Freefloat Series become effective,

Commenting on the inclusion, **Mr. Ting Hung Yi**, CEO of China Ting Group, said, “We are honoured to have been included as one of constituent stocks of both Composite Series and Freefloat Series. Being a well-known OEM manufacturer for a number of famous fashion brands in the world, China Ting is also one of the leading fashion retailers in the PRC, operating five fashion brands, as well as home textile products, with approximately 350 retail shops. Looking ahead, we will continue to strengthen our position as one of the world’s leading silk fashion apparel manufacturers and a respected brand fashion retailer in China, to generate greater returns for shareholders and investors by leveraging our competitive edges.”

The list of changes in constituents for the HSI Indices has been posted on the website of HSI Services Limited website. Please browse <http://www.hsi.com.hk> for further details.
