1. ACCOUNTING POLICIES

The condensed consolidated interim financial statements for the six months ended 30 June 2006 ("Period") are prepared in accordance with Hong Kong Accounting Standard ("HKAS") 34 "Interim Financial Reporting". The accounting policies and basis of preparation adopted in the preparation of the interim financial statements are the same as those used in the annual financial statements for the year ended 31 December 2005, except in

relation to the following new and revised Hong Kong Financial Reporting Standards ("HKFRSs", which also include HKASs and Interpretations) that affect the Group and are adopted for the first time for the current period's financial statements:

HKAS 39 Amendment	The Fair Value Option
HKAS 39 & HKFRS 4 Amendments	Financial Guarantee Contracts
HK(IFRIC)-Int 4	Determining whether an Arrangement contains a Lease

The adoption of the above new and revised HKFRSs has no material impact on the accounting policies of the Group and the methods of computation in the Group's condensed consolidated financial statements.

The comparative amounts in respect of the six months ended 30 June 2005 are extracted from the accountants' report on the Group included in the Company's prospectus dated 25 October 2005.

2. Turnover and Profit from Operations were both derived from continuing operations.
