Among the winners of the Chicago International Television Festival 2018, Phoenix TV's promotional videos, *Ocean's Forecast* and *Weekend Hot Talk* both won Silver Plaques in Art Direction/Production Design. In *Ocean's Forecast*, the continuously changing climate is projected through the microscopic vision of the ocean from a magic crystal ball, demonstrating the many faces of the ocean: from calm and peaceful, through vibrant and lively to stormy and violent. Through the use of special visual effects, the mysterious beauty and power of the ocean are vividly and profoundly displayed, moving the viewers and attracting their interest in the programme. *Weekend Hot Talk* borrows the famous quote "Be Water" from Bruce Lee, an internationally renowned Chinese martial art master, as its main theme. The ever changing nature of water is used
