### RECOMMENDATION

Accordingly, the Directors recommend you to vote in favour of the proposed resolutions at the Annual General Meeting.

Yours faithfully,  
For and on behalf of the Board of  
**Mascotte Holdings Limited**  
**Chan Oi Ling, Maria Olimpia**  
*Chairperson*

*This Appendix contains the particulars that are required by the Listing Rules to be included in an explanatory statement to enable the Shareholders to make an informed view on whether to vote for or against the resolution to be proposed at the Annual General Meeting in relation to the Proposed Repurchase Mandate.*

## **LISTING RULES FOR REPURCHASE OF SHARES**

The relevant sections of the Listing Rules which permit companies with primary listing on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions are summarized below.

### **Sources of Funds**

Repurchases must be funded out of funds legally available for the purpose and in accordance with the Company's constitutive documents and the laws of the jurisdiction in which the Company is incorporated or otherwise established.

### **Share Capital**

As at the Latest Practicable Date, the number of Shares in issue was 424,000,100 Shares. Subject to the passing of the resolution granting the Proposed Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase up to a maximum of 42,400,010 Shares during the period ending on the earlier of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by law or the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meeting.

### **Reasons for Repurchases**

The Directors believe that it is in the best interests of the Company and the Shareholders to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase Shares in circumstances where they consider that the repurchase would be in the best interests of the Company. The Directors consider that if the general mandate to repurchase Shares were to be exercised in full at the currently prevailing market value, it would have a material adverse impact on the working capital position and gearing position of the Company, as compared with the positions disclosed in the audited consolidated accounts of the Company as at 31 March 2006, being the date to which the latest published audited accounts of the Company were made up. The Directors do not propose to

exercise the mandate to repurchase Shares to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

**Share Prices**

The following table shows the highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the last thirteen months prior to the issue of this circular.

<b>Month</b>	<b>Highest trade price \$</b>	<b>Lowest trade price \$</b>
<b>2005</b>

August	0.240	0.220
September	0.230	0.200
October	0.250	0.209
November	0.250	0.230
December	0.250	0.200
<b>2006</b>

February	0.238	0.190
March	0.228	0.182
April	0.219	0.195
May	0.230	0.191
June	0.210	0.200
July (up to the Latest Practicable Date)	0.220	0.190

*Note:* During this month, there were no shares of the Company traded on the Stock Exchange.

**GENERAL**

To the best of their knowledge, having made all reasonable enquiries, none of the Directors nor any of their associates currently intends to sell any Shares to the Company or its subsidiaries in the event that the Proposed Repurchase Mandate is approved.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Proposed Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Bermuda.

No connected person, as defined in the Listing Rules, has notified the Company that he has a present intention to sell any Shares to the Company, or has undertaken not to do so, in the event that the Proposed Repurchase Mandate is approved.

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Code.

As at the Latest Practicable Date, Ms. Chan Oi Ling, Maria Olimpia, Director of the Company was interested in approximately 45.6% of the Shares and was the only substantial Shareholder as defined under the Listing Rules. In the event that the Directors exercise the Proposed Repurchase Mandate in full and assuming there is no change in the issued share capital of the Company as at the date of passing of the relevant resolution granting the Proposed Repurchase Mandate, the interest of Ms. Chan Oi Ling, Maria Olimpia in the Shares would be increased to approximately 50.67% of the issued Shares and such increase would give rise to an obligation to make a mandatory offer under Rule 26 of the Code. Subject to the aforesaid, the Directors are not aware of any consequence which will arise under the Code as a result of any purchase to be made under the Proposed Repurchase Mandate. The Directors do not have any intention to repurchase Shares up to an amount which would result in the above Shareholder becoming obliged to make a mandatory offer in accordance with Rule 26 of the Code.

The Listing Rules prohibit a company from making a repurchase of shares on the Stock Exchange if the result of the repurchase would be less than 25% (or such other prescribed percentage as determined by the Stock Exchange to constitute the minimum public float of a company) of the issued share capital would be in public hands. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

The Company has not repurchased any Shares on the Stock Exchange in the six months preceding the date of this circular.
