

GP Batteries International Limited (“GP Batteries”) is principally engaged in the development, manufacture and marketing of batteries and battery related products.

Since its establishment under the Gold Peak Group in Hong Kong, GP Batteries has rapidly expanded to become one of the world’s major suppliers of primary and rechargeable batteries. The Group supplies an extensive range of battery products to original equipment manufacturers, leading battery manufacturers as well as consumer retail markets under its own **GP** brand name.

GP Batteries was awarded the Operational Headquarters Status by the Economic Development Board of Singapore in June 1990 and the Status has been extended for six more years commencing 1 July 1996. GP Batteries was listed on the main board of the Singapore Exchange Securities Trading Limited in March 1991 and is currently a component stock of the Straits Times Index, BT Singapore Regional Index and DBS50 Index.

GP Batteries’ major production facilities are located in Hong Kong, China, Singapore, Taiwan, Malaysia, Denmark and Poland, supported by marketing and trading offices in Singapore, Hong Kong, Taiwan, China, South Korea, Malaysia, Thailand, Australia, Sweden, Poland, France, Germany, Italy, the United Kingdom, Canada and the United States. The Group currently employs about 7,000 people and occupies a total floor area of over 154,000 square metres.
