CONVERSION OF CONVERTIBLE NOTES

Attached is an Appendix 3B for the issue of shares pursuant to the conversion of \$1.0 million 5% convertible notes. The convertible notes were issued to Simpaug Investment Fund LP (noteholder) pursuant to approval at a shareholders meeting held 14 September 2012. The terms of the convertible note provided for the following options for the noteholder :

**Conversion
into RMG
shares :**

The convertible notes are convertible at the Noteholder's election at quarterly intervals into RMG shares.

The conversion price for RMG shares is equal to a 10% discount to the volume weighted average price of 10 trading days prior to the Noteholder providing a notice to convert, subject to a minimum price of AUD\$0.0035 and maximum price of AUD\$0.008 per share. Where RMG has agreed to issue shares during the term of the convertible notes at less than the minimum conversion price, the Noteholder will have an ability to convert their convertible notes at that time, at the same price as that share issue.

**Conversion
into Sunlander
shares :**

The Noteholder can also elect to convert their convertible notes into shares in Sunlander Nominees Pty Ltd, RMG's wholly owned subsidiary, provided they have not otherwise converted any of those notes into RMG shares.

If they elect to do so, the Noteholders will acquire, in aggregate, a 2.5% of Sunlander's issued capital, giving them a more direct form of participation in the company's Kamarga project.

The noteholder has elected to convert the convertible notes into RMG Limited shares.

The Appendix 3B attached is in application for quotation of 500,000,000 shares as a result of converting \$1.0 million of convertible notes at \$0.002 per share which is the issue price of the recent placement. The shares will rank equally with all current shares on issue.
