VOLUNTARY ANNOUNCEMENT IN RELATION TO THE STRATEGIC COOPERATION FRAMEWORK AGREEMENT WITH YUWELL TECHNOLOGY

The board of directors (the “**Board**”) of Alibaba Health Information Technology Limited (the “**Company**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) that the Company entered into a framework agreement on April 17, 2015 with Jiangsu Yuwell Technology Development Co., Ltd. (江蘇魚躍科技發展有限公司) (“**Yuwell Technology**”) (the “**Strategic Cooperation Framework Agreement**”).

We set out the key contents of the Strategic Cooperation Framework Agreement below:

The parties recognize each other’s value in the health services industry, and believes that there will be substantial complementary collaboration possibilities through the cooperation between the Company and Yuwell Technology in areas such as healthcare smart devices; medical imaging; management of healthcare and doctor resources, development of Internet health services, expansion of markets and clients; information and healthcare products; and the Company’s cloud hospital platform.

Pursuant to the Strategic Cooperation Framework Agreement, Yuwell Technology shall procure Jiangsu Yuyue Medical Equipment & Supply Co., Ltd. (江蘇魚躍醫療設備股份有限公司) (“**Yuyue Medical**”), China Resources Wandong Medical Equipment Co., Ltd. (華潤萬東醫療裝備股份有限公司) (“**Wandong Medical**”) and Suzhou Medical Cloud Health Management Co., Ltd. (蘇州醫雲健康管理有限公司) (“**Medical Cloud Health**”) to cooperate with the Company in the following areas:

1. The Company will cooperate fully with Yuyue Medical in the area of smart health hardware; with Wandong Medical in the areas of medical imaging and the Company's cloud hospital platform; and with Medical Cloud Health in the areas of doctor-patient interaction, chronic illness management and remote health enquiry. The parties will work together to promote the formation of an integrated management and service model for chronic and common illnesses, inside and outside hospitals.
2. Both parties will work together to promote their respective brand in related health services business marketing activities, and give priority to choosing the other to cooperate in health management-related projects.
3. Both parties hope to actively work together to explore other related areas of business and will carry out more in-depth cooperation in other areas.
4. Both parties shall establish a strategic cooperative partnership, establish contact entities to be responsible for regular communication, hold periodic meetings and further plan, organize, implement and coordinate specific projects and other cooperation matters.
5. The Strategic Cooperation Framework Agreement has an effective term of three years, from April 17, 2015 to April 16, 2018 and the cooperation term may be extended by both parties in writing upon expiry thereof.

Yuwell Technology is the controlling shareholder of Yuyue Medical, Wandong Medical and Medical Cloud Health.

Yuyue Medical (stock code: 002223) is a company listed on the Shenzhen Stock Exchange. Its mission is to become a highly competitive comprehensive platform products operator and medical services provider, by relying on its full-fledged family care and chronic illness management product lines, consumer information collected over time and extensive clinical expert resources.

Wandong Medical (stock code: 600055) is a company listed on the Shanghai Stock Exchange. It has over 60 years of history in medical imaging sector research, and its mission is to become the leading enterprise in China's medical imaging sector by relying on its long-term accumulated technical standards and extensive good relationships with grassroot hospitals.

Medical Cloud Health is a member of Yuwell Technology's group of companies and its main business is Internet-enabled healthcare. Medical Cloud Health's mission is to build a profitable and competitive remote healthcare platform which can be shared with China's excellent doctors, with a focus on chronic illness remote healthcare services and management, by relying on its group's abundant chronic illness management products, consumer information and specialist resources.

To the best of the knowledge, information and belief having made all reasonable enquiries by the directors of the Company, Yuwell Technology and its ultimate beneficial owners are third parties independent of the Company and its connected persons (as defined in The Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited).

The Strategic Cooperation Framework Agreement is only a preliminary framework cooperation agreement and the concrete details of implementation and its progress remain subject to uncertainties.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.

By Order of the Board
Alibaba Health Information Technology Limited
AU Kin Fai
Company Secretary
