*This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to the Shareholders to make an informed decision on whether to vote for or against the Ordinary Resolution to be proposed at the AGM in relation to the Repurchase Mandate.*

## **1.    SHARE CAPITAL**

As at the Latest Practicable Date, there were in issue an aggregate of 342,116,934 Shares. Exercise in full of the Repurchase Mandate, on the basis that no further Shares are issued or repurchased prior to the date of the AGM, could accordingly result in up to 34,211,693 Shares being repurchased by the Company. The Repurchase Mandate allows the Company to make or agree to make repurchases only during the period ending on the earliest of the date of its next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by law and the date upon which such authority is revoked or varied.

## **2.    REASON FOR REPURCHASE**

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole. Whilst it is not possible to anticipate in advance any specific circumstance in which the Directors might think it appropriate to repurchase Shares, they believe that the ability to do so would give the Company additional flexibility that would be beneficial to the Company and the Shareholders as such repurchases may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net asset value per Share and/or earnings per Share. Shareholders can be assured that the Directors would only make such purchase in circumstances where they consider them to be in the best interests of the Company.

## **3.    FUNDING OF REPURCHASE**

The Company is empowered by its Memorandum of Association and Bye-laws to repurchase its Shares. Repurchases will be funded entirely from the funds legally available for that purpose. Bermudian law provides that the purchase of Shares may only be effected out of the capital paid up on the purchased Shares, the profits otherwise available for dividend or out of the proceeds of a new issue of Shares made for the purpose.

On the basis of the consolidated financial position of the Company as at 31 March 2016 (being the date to which the latest published audited financial statements of the Company have been made up) and in particular the working capital position of the Company at that time and the number of Shares now in issue, the Directors consider that there might be a material adverse impact on the working capital position or the gearing position of the Company in the event that purchases of all the Shares, being the subject of the Repurchase Mandate, were to be carried out in full during the Repurchase Mandate period. No purchase would be made in circumstances that would have a material adverse impact on the working capital position or the gearing position of the Company (as compared with the position disclosed in the latest published audited financial statements).

#### **4.      UNDERTAKING**

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their close associates (as defined in the Listing Rules) have any present intention to sell Shares to the Company or its subsidiaries if the Repurchase Mandate is approved by the Shareholders.

As at the Latest Practicable Date, the Company has not been notified by any of its core connected person (as defined in the Listing Rules) that he/she has a present intention to sell Shares to the Company or its subsidiaries, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the powers of the Company to make repurchases pursuant to the proposed resolution in accordance with the Listing Rules, the laws of Hong Kong and all applicable laws of Bermuda, and in accordance with the regulations set out in the Memorandum of Association and Bye-laws.

#### **5.      EFFECT OF THE TAKEOVERS CODE AND MINIMUM PUBLIC FLOAT**

If on the exercise of the power under the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert may obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, Reignwood International Holdings Company Limited (“Reignwood”) held 182,459,527 Shares, representing approximately 53.33% of the issued share capital of the Company. Reignwood is wholly owned by Mr. Chanchai RUAYRUNGRUANG. On the basis that no further Shares are issued or bought back prior to the AGM, in the event that the Directors exercise in full the power to repurchase Shares under the Repurchase Mandate, the shareholding of Reignwood in the Company would be increased to approximately 59.26% of the issued share capital of the Company. On the basis of the current shareholding of Reignwood as at the Latest Practicable Date, Reignwood may be obliged to make a mandatory offer under Rule 26 of the Takeovers Code if the Repurchase Mandate is exercised in full.

Nevertheless, the Directors have no present intention to exercise the Repurchase Mandate to such extent as to result in takeover obligation or the public holding of Shares would be reduced below 25% of the issued share capital of the Company.

## 6. SHARE PRICES

The highest and lowest traded prices for Shares recorded on the Stock Exchange from the previous twelve months up to the Latest Practicable Date were as follows:
