The Board of Directors of the Company (the “Board”) wishes to inform its shareholders and potential investors that based on the financial information currently available, the Group expected to record a net profit of approximately HK\$353 million for the nine months ended 31 December 2017. The net profit for the nine months ended 31 December 2017 is mainly attributable to (i) net realised gain of investments at fair value through profit or loss of approximately HK\$113 million; (ii) net unrealised loss of investments at fair value through profit or loss of approximately HK\$64 million; (iii) interest income from provision of finance of approximately HK\$187 million; (iv) share of profit from an associate of approximately HK\$157 million; and (v) finance costs of approximately HK\$116 million.

The above information is only based on the Company’s preliminary review on the unaudited consolidated management accounts of the Group for the nine months ended 31 December 2017 subject to finalisation and necessary adjustments on, amongst other things, the possible financial impact arising from the acquisition of a non-wholly owned subsidiary (including goodwill) during the nine months ended 31 December 2017, which have not been confirmed, audited nor reviewed by the Company’s auditor. The Company would make further announcement(s) if necessary.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the securities of the Company.
