## **DISCLOSEABLE TRANSACTION IN RELATION TO DISPOSALS OF THE KAISA SECURITIES**

### **THE DISPOSALS**

Between 2 and 3 December 2020, the Kaisa Securities were disposed of on the open market at an aggregate consideration of approximately US\$17.5 million (equivalent to approximately HK\$136.5 million), approximately US\$16.0 million (equivalent to approximately HK\$124.8 million) and approximately US\$26.2 million (equivalent to approximately HK\$204.4 million) by the AO Seller, the ASI Seller and the ASH Seller respectively.

### **LISTING RULES IMPLICATIONS**

As one or more of the applicable percentage ratios in respect of the Disposals, after aggregation with the Previous Disposals, exceeds 5% but is or are less than 25% for each of AO, ASI and ASH, the Disposals constitute a discloseable transaction for each of AO, ASI and ASH, and are therefore subject to the reporting and announcement requirements under Chapter 14 of the Listing Rules.

## THE DISPOSALS

Between 2 and 3 December 2020, the Kaisa Securities were disposed of on the open market at an aggregate consideration of approximately US\$17.5 million (equivalent to approximately HK\$136.5 million), approximately US\$16.0 million (equivalent to approximately HK\$124.8 million) and approximately US\$26.2 million (equivalent to approximately HK\$204.4 million) by the AO Seller, the ASI Seller and the ASH Seller respectively.

In view that the Disposals were conducted through the open market, AO, ASI and ASH are not aware of the identities of the purchasers of the Kaisa Securities. To the best of the knowledge, information and belief of AO Directors, ASI Directors and ASH Directors having made all reasonable enquiries, the purchasers of the Kaisa Securities and their respective ultimate beneficial owners are Independent Third Parties of AO, ASI and ASH.

## INFORMATION ON THE KAISA SECURITIES

The Kaisa Securities are listed and quoted on the SGX-ST.

As at 30 September 2020, the carrying value of the Kaisa Securities held by each of AO Group, ASI Group and ASH Group under the Disposals were approximately HK\$445.7 million, approximately HK\$315.2 million and approximately HK\$195.8 million respectively. The net profits (both before and after taxation) attributable to the Kaisa Securities which were disposed of by AO Group, ASI Group and ASH Group under the Disposals were approximately as follows:

	<u>AO Group</u>	<u>ASI Group</u>	<u>ASH Group</u>
For the financial year ended 31 March 2020	HK\$43.0 million	HK\$30.7 million	HK\$19.3 million
For the financial year ended 31 March 2019	HK\$44.4 million	HK\$31.3 million	HK\$19.3 million

## REASONS FOR AND BENEFITS OF THE DISPOSALS

The Disposals form part of the investing activities of AO Group, ASI Group and ASH Group, which are conducted in their ordinary and usual course of business. As part of each of their principal business, AO Group, ASI Group and ASH Group monitor the performance of their respective securities portfolios and make adjustments to them (with regard to the types and/or amounts of the securities held) from time to time.

The Disposals will provide each of AO Group, ASI Group and ASH Group with an opportunity to realise their investments in the Kaisa Securities, and to re-allocate resources for other reinvestment opportunities when they arise.

Having considered the terms of the Disposals (including but not limited to the disposal prices), AO Directors, ASI Directors and ASH Directors respectively believe that such terms are fair and reasonable and the Disposals are in the interests of AO, ASI, ASH and their respective shareholders as a whole.

## **FINANCIAL EFFECTS OF THE DISPOSALS AND USE OF PROCEEDS**

As a result of the Disposals, it is expected that, AO Group, ASI Group and ASH Group will record a gain before tax and before non-controlling interest of approximately HK\$0.3 million, approximately HK\$1.9 million and approximately HK\$2.1 million respectively in the current financial year. The gain represents the difference between the consideration and the cost of the Kaisa Securities, less the incremental interest income from the difference between the yield and the coupon amortised to profit and loss in prior years, plus the written back of expected credit loss and the reversal of unrealised exchange loss recognised in prior years.

AO Directors, ASI Directors and ASH Directors intend to apply the proceeds from the Disposals as general working capital and/or for other reinvestment opportunities when they arise.

## **INFORMATION ON AO, ASI, ASH, AO SELLER, ASI SELLER AND ASH SELLER**

AO is a limited liability company incorporated in Bermuda whose shares are listed on the Main Board. AO Group is principally engaged in property management, development and investment, hotel operations and securities investments.

ASI is a limited liability company incorporated in Bermuda whose shares are listed on the Main Board. ASI Group is principally engaged in investment and development of commercial, retail and residential properties in Hong Kong and the PRC and securities investments. Through ASH, ASI is also involved in hotel operations.

ASH is a limited liability company incorporated in Bermuda whose shares are listed on the Main Board. The principal activity of ASH is investment holding. The principal activities of the subsidiaries of ASH consist of holding and operating hotels, property development and securities investments.

AO Seller is a company incorporated in the British Virgin Islands with limited liability and an indirect wholly-owned subsidiary of AO. As at the date hereof, it is principally engaged in securities investment.

ASI Seller is a company incorporated in the British Virgin Islands with limited liability and an indirect wholly-owned subsidiary of ASI. As at the date hereof, it is principally engaged in securities investment.

ASH Seller is a company incorporated in the British Virgin Islands with limited liability and an indirect wholly-owned subsidiary of ASH. As at the date hereof, it is principally engaged in securities investment.

## **INFORMATION ON KAISA**

Kaisa is an investment holding company, and its subsidiaries are principally engaged in property development, property investment, property management, hotel and catering operations, cinema, department store and cultural centre operations, water-way passenger and cargo transportation and healthcare business in the PRC.

## **LISTING RULES IMPLICATIONS**

As one or more of the applicable percentage ratios in respect of the Disposals, after aggregation with the Previous Disposals, exceeds 5% but is or are less than 25% for each of AO, ASI and ASH, the Disposals constitute a discloseable transaction for each of AO, ASI and ASH, and are therefore subject to the reporting and announcement requirements under Chapter 14 of the Listing Rules.

## **DEFINITIONS**
