The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30th June, 2018, the Group is expected to record a significant decrease in the consolidated net profit for the six months ended 30th June, 2018 as compared with the consolidated net profit for the six months ended 30th June, 2017.
