This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to Shareholders for their consideration of the Share Repurchase Mandate. This explanatory statement further constitutes the memorandum required under section 49BA(3)(b) of the Companies Ordinance.

1. LISTING RULES

The Listing Rules permit companies whose primary listing are on the Stock Exchange to repurchase their fully paid up shares on the Stock Exchange subject to certain restrictions, the most important of which are summarized below:

(a) Source of Funds

Repurchases must be funded out of funds which are legally available for the purpose and in accordance with the company's constitutive documents and the laws of the jurisdiction in which the company is incorporated or otherwise established.

(b) Maximum Number of Shares to be Repurchased

A maximum of 10% of the existing issued share capital of a company at the date of passing the relevant resolution may be repurchased on the Stock Exchange.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,247,298,945 Shares.

Subject to the passing of ordinary resolution and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed under the Share Repurchase Mandate to repurchase a maximum of 124,729,895 Shares.

3. REASON FOR REPURCHASES

The Directors believe that the Share Repurchase Mandate is in the best interest of the Company and its Shareholders. Such purchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share of the Company. Shareholders can be assured that the Directors will only made such repurchases in circumstance which they consider to be appropriate and in the best interests of the Company.

4. FUNDING OF REPURCHASES

The Company is empowered by its Memorandum and Articles of Association to repurchase its Shares. Repurchases may be funded out of the profits of the Company or out of the proceeds of a fresh issue of Shares or out of cash at bank or out of bank borrowings which are funds legally available for the purpose of repurchase in accordance with the Company's Memorandum and Articles of Association and the Companies Ordinance.

5. IMPACT OF REPURCHASES

On the basis of the consolidated financial position of the Company as at 31 December, 2010 (being the date to which the latest published audited consolidated financial statements of the Company have been made up) and in particular the working capital position and gearing position of the Company at that time and the number of Shares now in issue, the Directors consider that, in the event that the proposed repurchases were to be carried out in full during the proposed repurchase period, there might not be a material adverse impact on the working capital and the gearing position of the Company as compared with the position disclosed in the latest published audited consolidated financial statements for the year ended 31 December, 2010. Directors do not propose to exercise the repurchase mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital position and gearing position of the Company. Repurchases will only be made in circumstances which in the opinion of the Directors are from time to time appropriate to the Company.

6. SHARE PRICES

During each of the twelve months preceding the Latest Practicable Date, the highest and lowest prices at which Shares have been traded on the Stock Exchange were as follows:

	Shares	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2010		
April	1.130	0.920
May	1.020	0.600
June	0.800	0.650
July	0.770	0.680
August	0.840	0.730
September	0.840	0.740
October	1.210	0.800
November	1.170	0.920
December	1.020	0.890
2011		
January	1.100	0.940
February	1.030	0.800
March	0.860	0.700
April (up to the Latest Practicable Date)	0.880	0.770

7. UNDERTAKING

The Directors have undertaken to the Stock Exchange that in the event they exercise the powers of the Company to make repurchases pursuant to the Share Repurchase Mandate, they will exercise such powers in accordance with the Listing Rules, the regulations set out in the memorandum and articles of association of the Company, the Companies Ordinance and any other applicable laws of Hong Kong.

None of the Directors nor, to the best of the knowledge and belief of the Directors having made all reasonable enquiries, any of their associates or any of the Directors have any present intention, in the event that the grant to the Directors of a repurchase mandate is approved by shareholders, to sell Shares to the Company.

No persons who are connected persons of the Company (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company nor have they undertaken not to sell any of the Shares held by them to the Company in the event that the Company is authorised to make repurchase of Shares.

If on the exercise of the power to repurchase Shares pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, Mr. Dai Xiaoming, Chairman and Chief Executive Officer of the Company, together with Dan Form International Limited (a company controlled by Mr. Dai), which is the ultimate holding company of the Company, were beneficially interested in an aggregate of 452,892,969 Shares representing approximately 36.31 per cent. of the issued share capital of the Company. Based on such shareholdings and in the event that the Directors exercised in full power to repurchase Shares under the repurchase mandate, then (if the present shareholdings otherwise remained the same) the shareholdings of Mr. Dai, Dan Form International Limited and Harlesden Limited (being the holding company of Dan Form International Limited) would be increased to approximately 40.34 per cent. of the reduced issued share capital of the Company which would trigger their obligations to make a mandatory offer under the Takeovers Code. The Directors have noted and will comply with the above Takeovers Code. If the repurchase of Shares is beneficial to the survival and development of the Group, the Directors might have intention to exercise the repurchase mandate to an extent that might give rise to the consequences which would arise under the Takeovers Code.

8. SHARE REPURCHASE MADE BY THE COMPANY

During the six months preceding the Latest Practicable Date, there was no repurchase of its Shares made by the Company (whether on the Stock Exchange or otherwise).
