PRICE-SENSITIVE INFORMATION

This announcement is made pursuant to Rule 13.09 of the Listing Rules and the inside information provisions under Part XIVA of the SFO.

On 20 June 2013, the Company entered into the Memorandum of Co-operation with China Leason and Vision Finance pursuant to which China Leason has conditionally agreed to place, through Vision Finance (as placing agent) 9,300,000,000 new Shares of China Leason to the Company (or its wholly-owned subsidiaries) at subscription price of HK\$0.26 per Share.

The Share Subscription is to be subject to the satisfaction of the conditions precedent described in the Memorandum of Co-operation and terms of the formal agreements to be entered into between the parties in connection with the Share Subscription. As the Share Subscription may or may not proceed, shareholders and investors of the Company should exercise caution when dealing in the securities of the Company.

MEMORANDUM OF CO-OPERATION

On 20 June 2013, the Company entered into the Memorandum of Co-operation with China Leason and Vision Finance pursuant to which China Leason has conditionally agreed to place, through Vision Finance (as placing agent), 9,300,000,000 new Shares of China Leason at subscription price of HK\$0.26 per Share. Vision Finance will act as the placing agent in the Share Subscription to the Company (or its wholly-owned subsidiaries). The Memorandum of Co-operation states that the Share Subscription will be subject to the finalization and signing of the definitive formal agreements to be entered among the above-mentioned parties. The Company will make a further announcement once the terms of the Share Subscription have been finalized and formal agreement signed.

Upon completion of the Share Subscription, the Company will in aggregate hold 9,300,000,000 Shares, representing approximately 66.7% of the issued share capital of China Leason as enlarged by the issue of those Shares assuming none of China Leason's outstanding share options and convertible bonds are or will be exercised or converted and no other changes to the closing issued share capital of China Leason as stated in its Next Day Disclosure Return dated 4 June 2013. The Company and parties acting in concert with it will incur upon such completion an obligation pursuant to Rule 26 of the Takeovers Code to make a mandatory general offer to the shareholders of China Leason to acquire all the Shares other than those held or agreed to be acquired by the Company and parties acting in concert with it, unless a waiver is granted by the Executive.

Neither the Company nor any person acting in concert with it has acquired any voting rights in China Leason in the six months prior to the date of Memorandum of Co-operation. The Company will make an application to the Executive for a Whitewash Waiver to waive any obligation of the Company to make a general offer which might result from the Share Subscription after the signing of the formal agreements for the Share Subscription. At present, the Company intends not to proceed with the Share Subscription unless the Whitewash Waiver is granted. However, the Company may review its position if the Whitewash Waiver is not granted by reference to the facts and circumstances then existing and will make an announcement as soon as possible and comply with the applicable requirements under the Takeover Code and the Listing Rules.

Based on the current market capitalisation of the Company (determined in accordance with the Listing Rules) and the current terms of the Share Subscription, the Share Subscription is expected not to constitute a notifiable transaction of the Company under the Listing Rules.

The Share Subscription is to be subject to the satisfaction of the conditions precedents described in the Memorandum of Co-operation and terms of the formal agreements to be entered into between the parties in connection with the Share Subscription. As the Share Subscription may or may not proceed, shareholders and investors of the Company should exercise caution when dealing in the securities of the Company.
