approximately HK\$147.0 million). As of the date of this announcement, WN Australia holds in aggregate 38,999,884 FRS Shares, representing approximately 19.24% of the issued ordinary share capital of FRS. Save as disclosed above, the Group did not acquire any other FRS Shares during the 12 months ended 16 September 2010.

As the On-market Acquisitions are made on ASX, the Company is not aware of the identity of the sellers of the relevant FRS Shares. To the best of the Directors' knowledge, information and belief having made all reasonable enquiry, the sellers of the On-market Acquisitions and the ultimate beneficial owners of the sellers (if any) are third parties independent of the Company and its connected persons.

Pursuant to a subscription agreement dated 22 June 2010 between WN Australia and FRS, WN Australia subscribed for 25,047,939 FRS Shares. Save for WN Australia's interest in FRS Shares, to the best of the Directors' knowledge, information and belief having made all reasonable enquiry, FRS is a third party independent of the Company and its connected persons.

The consideration for the On-market Acquisitions was determined with reference to market prices quoted on ASX at the relevant time when the transactions under the On-market Acquisitions were carried out, and the consideration for the Subscription was determined between FRS and WN Australia at arm's-length negotiations having regard to the then market price of FRS Shares. The consideration for the Acquisitions was settled in cash utilising the Group's internal funding, including, among others, the net proceeds from the placing and subscription as announced by the Company on 19 June 2010. The Directors are of the view that the consideration for the Acquisitions is fair and reasonable.

WN Australia filed a further notice of change of interests of substantial holder with ASX on 16 September 2010 in accordance with the relevant law in Australia.

The Group may continue to trade FRS Shares depending on, among other things, the market conditions and the Company will comply with the applicable requirements under the Listing Rules as and when appropriate.

INFORMATION ON FRS

Based on information available to the Company, FRS Shares have been listed on the ASX since 2003. FRS is principally engaged in the exploration and development of iron ore and manganese. According to FRS's 2009 annual report and announcements, its projects include a 100% interest in the Robertson Range iron ore project (which is located in the south east Pilbara region of Western Australia), a 100% interest in Davidson Creek iron ore project in east Pilbara region of Western Australia, a 100% interest in Murramunda project in east Pilbara region of Western Australia, a 100% interest in Enachedong manganese project in east Pilbara region of Western Australia and an interest in Silver Swan North nickel and gold project located in Kalgoorlie Area of Western Australia.

Based on the published financial statements of FRS for the 6 months ended 31 December 2009, it recorded unaudited net assets of approximately AUD67.0 million (equivalent to approximately HK\$486.4 million) as at 31 December 2009. FRS's projects were under exploration development stage and apart from interest income, it did not generate any revenue for the years ended 30 June 2008 and 2009 and the 6 months ended 31 December 2009. The table below sets out the loss before and after taxation of FRS for the years ended 30 June 2008 and 2009 and the 6 months ended 31 December 2009.

REASONS FOR AND BENEFITS OF THE TRANSACTION

The Company, through its subsidiaries, is principally engaged in (a) the exploitation, processing and sales of mineral resources, presently including copper, zinc and lead ore concentrates in the PRC; (b) the provision of limousine rental and airport shuttle bus services in Hong Kong and the PRC; and (c) investments in equity securities.

Mining is the principal business focus of the Group and as stated in its 2010 interim report, the Company will continue the activities of its existing Damajianshan Mine and at the same time seek for potential acquisition opportunities, both in the PRC and overseas. As part of the Group's expansion plan, the Group also acquired BRM Shares. As at the date of this announcement, the Group holds 28,787,224 BRM Shares representing 20.33% of the issued share capital of BRM at a total consideration (before brokerage fee) of approximately AUD52.8 million (equivalent to approximately HK\$343.6 million). BRM Shares are listed on ASX and BRM is principally engaged in the exploration and development of iron ore, nickel, copper and gold. Shareholders and investors may refer to the Company's announcement dated 1 March 2010 for more information on BRM.

The Company considers that the business of FRS to be complementary to the Group's mining operations and the Acquisitions represent a good investment opportunity. The Company considers that the terms of the Acquisitions are fair and reasonable and the Acquisitions are in the interests of the Company and its shareholders as a whole.

LISTING RULES REQUIREMENTS

Under the Listing Rules, the Acquisitions in aggregate constitute a discloseable transaction for the Company as some of the size tests, calculated pursuant to Rule 14.07 of the Listing Rules, exceed 5% but none of the size tests reaches 25%.

As at the date of this announcement, the Board comprises Mr. Luk Kin Peter Joseph and Mr. Chan Kam Kwan, Jason as executive Directors, and Mr. Lau Kwok Kuen, Eddie, Mr. Uwe Henke Von Parpart and Mr. Yip Kwok Cheung, Danny as independent non-executive Directors.
