1. HIGHLIGHTS

- Brockman Iron and Polaris FJV Agreement became Unconditional on 21 January 2019 pursuant of which Polaris commenced work towards meeting its farm-in obligations
- The works towards satisfying Polaris' farm-in obligations are progressing and expected to be completed by July/August 2019.

2. MARILLANA IRON ORE PROJECT

Transfer of 50% Interest in Marillana Project and Formation of Unincorporated Joint Venture

Brockman Iron Pty Ltd (Brockman Iron) and Polaris Metals Pty Ltd (Polaris) entered into a farm-in and joint venture agreement (FJV Agreement) pursuant to which subject to the terms and conditions therein, Polaris may farm-in by satisfying the farm-in obligations and earn a 50% interest in the Marillana Project. For details of the transaction please refer to the Company's announcement dated 26 July 2018.

The FJV Agreement became Unconditional on 21 January 2019. The Joint Venturer and a subsidiary of MRL (SPV) entered into the Mine to Ship Logistics Agreement for the transport of the Marillana iron ore product via a light-rail system from the mine site to Port Hedland.

The Mine to Ship Logistics Agreement is itself subject to several conditions precedent including execution of an agreement with the State of Western Australia, procuring all the leases and licences for the light rail system and at Port Hedland, MRL and SPV obtaining the finance to fund the construction and commissioning of the rail and port infrastructure and MRL's board making a final capital investment decision to proceed with the infrastructure project.

Upon satisfaction of all conditions under the Mine to Ship Logistics Agreement, MRL will be obliged to construct and commission the

rail and port infrastructure needed to establish, operate and provide a service to transport up to 30Mtpa of iron ore from the mine site to Port Hedland and on to vessels for export for the life of the Marillana Project.

With the FJV Agreement becoming Unconditional, the Farm-in Period has therefore commenced. During the Farm-In Period Polaris shall perform its Farm-in Obligations on the Marillana Project. Upon Polaris satisfying the Farm-in Obligations on or before expiry of the Farm-in Period (July/August 2019), the Joint Venture shall be established (Farm-in Date). Following the Farm-in Date, the Farm-in Interest will be transferred to Polaris.

3. OPHTHALMIA IRON ORE PROJECT

Results from the two reverse circulation drill holes completed last quarter in the Three Pools area were received. No significant iron ore mineralization was recorded.

4. CORPORATE REVIEW

Cash position

The consolidated cash position of the Group as at 31 March 2019 was HK\$25.3 million.

Notes

- The quarterly report provides a basis for informing the market how the entity's activities have been financed for the past quarter and the effect on its cash position. An entity that wishes to disclose additional information is encouraged to do so, in a note or notes included in or attached to this report.
- If this quarterly report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 6: Exploration for and Evaluation of Mineral Resources* and *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standards apply to this report.
- Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
