**INSIDE INFORMATION  
IN RELATION TO A DEED OF SETTLEMENT**

This announcement is made by the Company pursuant to Rule 13.09 of the Listing Rules and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the SFO (Chapter 571 of the Laws of Hong Kong).

Reference is made to the announcement of the Company dated 6 December 2013 and the circular of the Company dated 11 April 2014 (the “**Circular**”) in relation to, among others, the Acquisition and the announcement of the Company dated 16 June 2014 in relation to the completion of the Acquisition. The Consideration includes cashier orders, the Convertible Bonds, the Promissory Notes and the Consideration Shares issued by the Company. Unless otherwise stated, capitalised terms used herein shall have the same meanings as those defined in the Circular.

The Company would like to inform the Shareholders that, after arm’s length negotiation among the relevant parties, on 11 September 2014 (after trading hours), the Company, as the assignor, The Building and Loan Agency (Asia) Limited, a wholly-owned subsidiary of the Company, as the assignee (the “**Assignee**”) and the relevant holder of the Promissory Note A (the “**Note Holder**”) entered into a deed of assignment (the “**Deed**”). The Note Holder is currently the sole legal and beneficial owner of Promissory Note A numbered 004 (the “**Relevant Promissory Note**”) in the principal amount of HK\$197,000,000 issued by

the Company. Under and in accordance with the Relevant Promissory Note, the Company has unconditionally and irrevocably promised to pay to the Note Holder the sum of HK\$197,000,000 on final maturity thereof, being 31 December 2018 (“**Final Maturity**”).

Pursuant to the Deed, the Company is desirous of transferring, assigning and/or novating all the Company’s duties and obligations in and under the Relevant Promissory Note, including (but not limited to) the repayment thereof, to the Assignee (collectively, the “**Assignment**”). Pursuant to the Deed, amongst others, the Company shall procure (i) the Note Holder to surrender to the Assignee the Relevant Promissory Note at completion of the Assignment (“**Completion**”), and (ii) the Assignee to issue new promissory note(s) to the Note Holder (or to any nominee of the Note Holder) in the principal amount of HK\$197,000,000 (the “**New PN**”) to replace the Relevant Promissory Note as soon as practicable after Completion in accordance with the Deed.

Pursuant to the Deed, the Assignee confirms, undertakes and guarantees that, amongst others, the Assignee and/or any of its wholly-owned subsidiary, assignee, transferee, nominee or successor-in-title may issue further and/or other promissory note(s) for replacement of, or in substitution of, the New PN provided that such further and/or other promissory note(s) shall mature on Final Maturity, and all other terms and conditions of such further and/or other promissory note(s) shall be identical to those of the New PN (save the issuer of the same) (collectively, the “**Further PN**”). The Note Holder confirms, undertakes and guarantees that, amongst others, that the Relevant Promissory Note shall cease to be valid, binding, effective or enforceable forthwith upon the issuance of the New PN and/or the Further PN; and it shall accept the New PN forthwith upon the issuance of the same by the Assignee or by any wholly-owned subsidiary, assignee, transferee, nominee or successor-in-title of the Assignee.

The consideration of the Assignment, which is in the sum of HK\$197,000,000, shall be settled by off-setting against the money due and owing by the Assignee to the Company on a dollar-to-dollar basis at the Completion, which shall be forthwith upon the execution of the Deed.

Save and except for the above change, all other terms and provisions of the Sale and Purchase Agreement shall remain the same and unchanged, and the Sale and Purchase Agreement shall remain in full force and effect. As the Assignee is a wholly-owned subsidiary of the Company, the Board is of the view that the Assignment would not have any impact on the financial position of the Group (subject to audit), and is fair and reasonable, and to the best interests of the Company and Shareholders as a whole.
