PROFIT WARNING

This announcement is made by Century Energy International Holdings Limited (the “**Company**” and its subsidiaries, collectively the “**Group**”) pursuant to Rule 17.10 of Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders and potential investors of the Company that, based on the preliminary review on the latest available financial information of the Group, the Group expects to record a loss attributable to the owners of the Company of approximately HK\$6 million for the three months ended 30 June 2022 (the “**Current Period**”).

The Board also wishes to inform the shareholders and potential investors of the Company that based on a preliminary review on the unaudited consolidated management accounts of the Group for the Current Period and assessment of the latest information currently available to the Board, the Group expects to record a loss attributable to the owners of the Company of approximately HK\$6 million for the Current Period, as compared to the profit attributable to the owners of the Company of approximately HK\$132 million for the corresponding period in 2021.

The anticipated turnaround from profit to loss attributable to the owners of the Company during the Current Period was mainly attributable to the absence of the one-time significant gain on debt restructuring of approximately HK\$141 million arising from the scheme of arrangement entered into between the Company and its creditors in the corresponding period in 2021. If this one-time gain is deducted, the operating loss attributable to the owners of the Company was actually decreased from approximately HK\$9 million in the corresponding period in 2021 to approximately HK\$6 million in the Current Period. The decrease in the operating loss attributable to the owners of the Company was mainly attributable to the decrease in administrative expenses.

The Company is still in the process of finalising the first quarterly results of the Group for the Current Period. The information contained in this announcement is only based on the preliminary assessment of the unaudited consolidated financial statements of the Group for the Current Period and the information currently available, which have neither been reviewed by the audit committee of the Company nor reviewed or audited by the auditors of the Company. The above information may be subject to further adjustments upon final review by the Board. Shareholders and potential investors of the Company are advised to refer to the details in the first quarterly results of the Group for the Current Period, which is expected to be published in August 2022 in accordance with the GEM Listing Rules.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
