The Consideration was determined after arm's length negotiations between the Vendor and the Purchaser by reference to the prevailing market value of similar properties in the same area in Hong Kong. The Consideration will be financed by internal resources and/or bank borrowings. However, the Group has not yet determined the apportionment of the above as at the date of this announcement.

REASONS FOR THE ACQUISITION

The Company is an investment holding company and its subsidiaries are principally engaged in travel related business, provision of health and beauty services, money lending business, provision of stock brokering services and property investment.

Year 2010 has witnessed a recovery well underway in most major real estate and financial markets across the globe, supported by the launch of the second round of the 600 billion U.S. dollars quantitative easing program. The Hong Kong economy maintained notable GDP growth pace at 6.2% in the last quarter making 6.8% growth for 2010 as a whole. With the boost of abundant liquidity flows but tight supplies, property prices rose by 20% in 2010. Meanwhile, rentals for both the commercial and residential properties continue to notch up along with the upbeat economic development. In this regard, the Group persistently strengthens its internal management to further explore investment opportunities of quality assets in the commercial and residential property market to maintain sustainable growth. Under the improving economic fundamentals, the sustained low interest rate and plentiful capital in the aftermath of the global financial tsunami, the Directors believe that the demand of good quality development site remains strong in Hong Kong's real estate market thus indicating a positive prospect for the residential market. Given the positive market sentiments, the Group decided to further enhance its investments in the residential sector. Taikoo Shing has been recognised as one of the blue chips estates with prices well supported by strong second-hand demand. It is also one of the most popular estates in terms of rental in light of its convenient location. In view of the above, the Directors consider the Property represents a promising investment to the Group.

The Property is located in Taikoo Shing, being a prime private housing estate in Quarry Bay, Hong Kong. It forms a part of the Swire Group's Island East residential and retail branding, along with TaiKoo Place, the adjacent Cityplaza retail and office complex and EAST, a lifestyle business hotel. Taikoo Shing is accessible by an excellent transportation network including direct access to the Tai Koo Station of the Mass Transit Railway as well as various bus lines. The Group intends to hold the Property for investment and rental purposes. The Directors are of the view that the Acquisition would generate stable rental revenue and return and provide capital appreciation potential to the Group.

Taking into account the above factors, the Directors consider that the terms of the Acquisition including the Consideration are fair and reasonable and the Acquisition is in the interests of the Shareholders and the Company as a whole.

The Acquisition constitutes a discloseable transaction for the Company under the Listing Rules.
