2. THE PROPOSED RENEWAL OF GENERAL MANDATE

An ordinary resolution as set out in the Notice will be proposed at the 2022 AGM, pursuant to the Bye-laws, the SGX-ST Listing Manual and the SEHK Listing Rules, to seek the approval of the Shareholders to authorise and empower the Directors to:

- (a) (i) allot and issue new Shares in the capital of the Company, whether by way of rights, bonus or otherwise;

LETTER FROM THE BOARD

- (ii) make or grant Instruments including but not limited to the creation and issue of warrants, debentures or other instruments convertible into Shares; and/or
- (iii) issue additional instruments arising from adjustments made to the number of Instruments previously issued in the event of rights, bonus or capitalisation issue; and

at any time to such persons and upon such terms and for such purposes as the Directors may in their absolute discretion deem fit; and

- (b) (notwithstanding THAT the authority conferred by the Shareholders may have ceased to be in force) issue Shares in pursuance of any Instrument made or granted by the Board while the authority was in force, provided always, that subject to any applicable regulations as may be prescribed by the SGX-ST and the SEHK,

- (i) the aggregate number of Shares to be issued pursuant to this resolution (including Shares to be issued in pursuance of Instruments made or granted pursuant to this resolution) does not exceed 50% of the total number of issued Shares excluding treasury shares of the Company, of which the aggregate number of Shares (including Shares to be issued in pursuance of Instruments made or granted pursuant to this resolution) to be issued other than on a pro rata basis to existing Shareholders does not exceed 20% of the total number of issued Shares excluding treasury shares of the Company, and for the purpose of this resolution, the issued Shares shall be the Company's total number of issued Shares excluding treasury shares at the time this resolution is passed, after adjusting for:

- (a) new Shares arising from the conversion or exercise of any convertible securities, or
- (b) new Shares arising from exercising share options or vesting of share awards outstanding or subsisting at the time this resolution is passed provided the options or awards were granted in compliance with Part VIII of Chapter 8 of the SGX-ST Listing Manual and Chapter 13 of the SEHK Listing Rules; and
- (c) any subsequent bonus issue, consolidation or subdivision of Shares; and

LETTER FROM THE BOARD

- (ii) in exercising the authority conferred by this resolution, the Company shall comply with the provisions of the SGX-ST Listing Manual as amended from time to time (unless such compliance has been waived by the SGX-ST), the SEHK Listing Rules as amended from time to time (unless such compliance has been waived by the SEHK) and the Bye-laws; and
- (iii) such authority shall, unless revoked or varied by the Company at a general meeting, continue in force until the conclusion of the next annual general meeting or the date by which the next annual general meeting of the Company is required by law to be held, whichever is earlier.

Notwithstanding the above, it must be noted that the SEHK Listing Rules provide that the General Mandate obtained from Shareholders in a general meeting shall be subject to a restriction that the aggregate number of Shares allotted or agreed to be allotted and issued under the General Mandate must not exceed 20% of the existing issued Shares. The Company will comply with the requirements under the SEHK Listing Rules or the SGX-ST Listing Manual for matters relating to the General Mandate, whichever is more onerous.

As at the Latest Practicable Date, the Company had 2,860,876,723 Shares in issue and the maximum number of new Shares that can be allotted and issued (regardless of whether the Shares are issued to the Shareholders on a pro-rata basis) is 572,175,344 Shares, being 20% of the Shares in issue (assuming no Share is allotted and issued or repurchased after the Latest Practicable Date and up to the passing of the relevant resolution).

The grant of the General Mandate will provide flexibility to the Directors to allot and issue new Shares when it is in the interest of the Company.

3. THE PROPOSED RENEWAL OF THE IPT MANDATE

3.1 Background. At the 2021 AGM, Shareholders had approved the renewal of the IPT Mandate. Particulars of the IPT Mandate were set out in the Appendix to the 2021 Letter.

The IPT Mandate which was renewed at the 2021 AGM was expressed to continue in force until the next annual general meeting of the Company and, as such, will be expiring on 26 April 2022, being the date of the 2022 AGM. Accordingly, Shareholders' approval is being sought for the renewal of the IPT Mandate at the 2022 AGM, to take effect until the conclusion of the next annual general meeting of the Company which is scheduled to be held in 2023.

LETTER FROM THE BOARD

3.2 Rationale. It is envisaged that in the ordinary course of their businesses, transactions between companies in the EAR Group and the Company's interested persons are likely to occur from time to time. Such transactions are necessary for the day-to-day operations of the EAR Group and would include, but are not limited to, the provision of goods, facilities and services in the ordinary course of business of the EAR Group to the Company's interested persons or the obtaining of goods, facilities and services from them.

In particular, China Everbright Group Ltd., the Company's indirect controlling shareholder, is a major financial holding group in China, with business presence in various industries and sectors. Its business areas include, amongst others, banking, securities, insurance, funds, trusts, futures, leasing, investment, environmental protection, hospitalism and pharmaceutical. The EAR Group may leverage China Everbright Group Ltd.'s and its associates' wide spectrum of businesses and rich resources to support its future development. Some of China Everbright Group Ltd.'s major subsidiaries include:

- (a) Everbright Environment, a one-stop integrated environmental solution provider listed on the SEHK;
- (b) China Everbright Limited, an investment holding company principally engaged in fund management and investment business and listed on the SEHK;
- (c) China Everbright Bank Company Limited, a commercial bank listed on the SSE and the SEHK;
- (d) Everbright Securities Company Limited, a securities brokerage company listed on the SSE and the SEHK; and
- (e) Sun Life Everbright Life Insurance Co., Ltd., an insurance company which has branches in various provinces and municipalities in China.

In view of the time-sensitive nature of commercial transactions, the renewal of the IPT Mandate pursuant to Chapter 9 of the SGX-ST Listing Manual will enable the EAR Group, or any of them, in the ordinary course of their businesses, to enter into the Mandated IPTs with the Company's interested persons set out in paragraph 5.1 of Appendix 1 to this Circular, provided such Mandated IPTs are made on normal commercial terms.

LETTER FROM THE BOARD

3.3 Benefit to Shareholders. The IPT Mandate (and its subsequent renewal thereafter on an annual basis) will enhance the ability of companies in the EAR Group to pursue business opportunities which are time-sensitive in nature, and will eliminate the need for the Company to announce, or to announce and convene separate general meetings on each occasion to seek Shareholders' prior approval for the entry by the relevant company in the EAR Group into such transactions. This will substantially reduce the expenses associated with the convening of general meetings on an ad hoc basis, improve administrative efficiency considerably, and allow manpower resources and time to be channelled towards attaining other corporate objectives.

3.4 Terms of the IPT Mandate. The IPT Mandate, including the review procedures for determining transaction prices and other general information relating to Chapter 9 of the SGX-ST Listing Manual, is set out in Appendix 1 to this Circular. The terms of the IPT Mandate which is sought to be renewed remain unchanged.

3.5 Audit Committee's Statement. The Audit Committee (save for Mr. Zhai Haitao), comprising Mr. Lim Yu Neng Paul, Ms. Cheng Fong Yee and Ms. Hao Gang, confirms that:

- (a) the methods or procedures for determining the transaction prices under the IPT Mandate have not changed since the 2021 AGM; and
- (b) the methods or procedures referred to in paragraph 3.5(a) above are sufficient to ensure that the transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.

4. THE PROPOSED RENEWAL OF THE SHARE BUY-BACK MANDATE

4.1 Background. At the 2021 AGM, Shareholders had approved the renewal of the Share Buy-back Mandate. The authority and limitations of the Share Buy-back Mandate were set out in the 2021 Letter and the ordinary resolution in the notice of the 2021 AGM. The Share Buy-back Mandate approved at the 2021 AGM was expressed to continue in force until the next annual general meeting of the Company and, as such, will be expiring on 26 April 2022, being the date of the 2022 AGM. Accordingly, Shareholders' approval is being sought for the renewal of the Share Buy-back Mandate at the 2022 AGM.

LETTER FROM THE BOARD

4.2 Market Purchases. As at the Latest Practicable Date, the Company had not purchased or acquired any Shares by way of Market Purchases in the preceding 12 months pursuant to the Share Buy-Back Mandate approved by Shareholders at the 2021 AGM.

4.3 Rationale. The Share Buy-back Mandate will give the Company the flexibility to undertake purchases or acquisitions of its Shares at any time, subject to market conditions, during the period that the Share Buy-back Mandate is in force. Share purchases or acquisitions allow the Company greater flexibility over its share capital structure with a view to improving, *inter alia*, its return on equity.

It should be noted that the purchase or acquisition of Shares pursuant to the Share Buy-back Mandate will only be undertaken if it can benefit the Company and Shareholders. No purchase or acquisition of Shares will be made in the circumstances which would have or may have a material adverse effect on the financial position of the Group, and/or affect the listing status of the Company on the SGX-ST or the SEHK. In addition, any purchase or acquisition of its Shares has to be made in accordance with, and in the manner prescribed by the Bermuda Companies Act, the Bye-laws, the SGX-ST Listing Manual, the SEHK Listing Rules and such other laws and regulations as may, for the time being, be applicable.

4.4 Authority and Limitations. The authority and limitations on the purchase or acquisition of Shares by the Company under the Share Buy-back Mandate are summarised below.

4.4.1 Maximum number of Shares

The total number of Shares which may be purchased or acquired by the Company pursuant to the Share Buy-back Mandate is limited to that number of Shares representing not more than 10 per cent. of the total number of issued Shares (excluding any Shares held by the Company as treasury shares and any subsidiary holdings) as at the date of the 2022 AGM. Under the SGX-ST Listing Manual, treasury shares and subsidiary holdings are to be disregarded for purposes of computing the 10 per cent. limit.

As at the Latest Practicable Date, no Shares were held as treasury shares and there are no subsidiary holdings. Purely for illustrative purposes, on the basis that the total number of issued Shares is 2,860,876,723 as at the Latest Practicable Date and assuming that between the Latest Practicable Date and the date of the 2022 AGM (i) no new Shares are issued, (ii) no Shares are held as treasury shares, and (iii) no Shares are subsidiary holdings, then not more than 286,087,672 Shares (representing 10 per cent. of the total number of issued Shares as at the approval date) may be purchased or acquired by the Company pursuant to the Share Buy-back Mandate.

LETTER FROM THE BOARD

4.4.2 Duration of authority

Purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the date of the 2022 AGM, at which the Share Buy-back Mandate is approved, up to:

- (i) the date (being a date after the 2022 AGM) on which the next annual general meeting of the Company is held or required by law to be held;
- (ii) the date (being a date after the 2022 AGM) on which the authority conferred by the Share Buy-back Mandate is revoked or varied by the Company in a general meeting; or
- (iii) the date (being a date after the 2022 AGM) on which purchases or acquisitions of Shares pursuant to the Share Buy-back Mandate are carried out to the full extent mandated,

whichever is the earliest.

4.4.3 Manner of purchase or acquisition of Shares

Purchases or acquisitions of Shares may be made by way of:

- (i) Market Purchases; and/or
- (ii) Off-Market Purchases.

The Directors may impose such terms and conditions which are not inconsistent with the Share Buy-back Mandate, the SGX-ST Listing Manual, the SEHK Listing Rules, the Bermuda Companies Act and the Bye-laws, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes. As required under the SGX-ST Listing Manual, an Off-Market Purchase must, however, also satisfy all the following conditions prescribed by the Singapore Companies Act:

- (a) offers for the purchase or acquisition of Shares shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (b) all of those persons shall be given a reasonable opportunity to accept the offers made; and
- (c) the terms of all the offers shall be the same, except that there shall be disregarded:
 - (1) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements;

LETTER FROM THE BOARD

- (2) (if applicable) differences in consideration attributable to the fact that the offers relate to Shares with different amounts remaining unpaid; and
- (3) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

Additionally, the SGX-ST Listing Manual provides that, in making an Off-Market Purchase, the Company must issue an offer document to all Shareholders which must contain, *inter alia*, the following information:

- (A) the terms and conditions of the offer;
- (B) the period and procedures for acceptances;
- (C) the reasons for the proposed Share purchases;
- (D) the consequences, if any, of Share purchases by the Company that will arise under the SG Take-over Code or other applicable takeover rules;
- (E) whether the Share purchases, if made, would have any effect on the listing of the Shares on the SGX-ST;
- (F) details of any Share purchases made by the Company in the previous 12 months (whether Market Purchases or Off-Market Purchases), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the purchases, where relevant, and the total consideration paid for the purchases; and
- (G) whether the Shares purchased by the Company will be cancelled or kept as treasury shares.

4.4.4 Purchase Price

The purchase price (excluding brokerage, commission, applicable goods and services tax and other related expenses) to be paid for a Share will be determined by the Directors. However, the Maximum Price must not exceed:

- (i) in the case of a Market Purchase, five per cent. above the Average Closing Price; and
- (ii) in the case of an Off-Market Purchase, five per cent. above the Average Closing Price,

LETTER FROM THE BOARD

in either case, excluding related expenses of the purchase or acquisition. For the above purposes:

“**Average Closing Price**” means the average of the closing market prices of the Shares over the last five Market Days on which the Shares were transacted on the SGX-ST or the SEHK (as the case may be), before the date of the Market Purchase by the Company, or as the case may be, the date of the making of the offer pursuant to the Off-Market Purchase, and deemed to be adjusted in accordance with the SGX-ST Listing Manual or the SEHK Listing Rules (as the case may be) for any corporate action which occurs during the relevant five-day period and the day on which the purchases are made; and

“**date of the making of the offer**” means the date on which the Company makes an offer for an Off-Market Purchase, stating therein the purchase price (which shall not be more than the Maximum Price for an Off-Market Purchase calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

4.4.5 Solvency Test

Under the Bermuda Companies Act, no purchase by the Company of its own shares may be effected if, on the date on which the purchase is to be effected, there are reasonable grounds for believing that the Company is, or after the purchase would be, unable to pay its liabilities as they become due.

4.5 Status of Purchased or Acquired Shares. Under Bermuda Companies Act, the Shares purchased or acquired by the Company shall be treated as cancelled immediately upon purchase or acquisition, unless such Shares are held continuously since they were purchased or acquired by the Company as treasury shares. Upon cancellation of the Shares, the total issued capital of the Company will be diminished by the nominal value of the Shares purchased or acquired by the Company. The Shares purchased or acquired by the Company shall not be taken as reducing the amount of the Company’s authorised share capital.

4.6 Treasury Shares. As at the Latest Practicable Date, the Company does not hold any treasury shares.

LETTER FROM THE BOARD

4.7 Source of Funds. In purchasing or acquiring Shares pursuant to the Share Buy-back Mandate, the Company may only apply funds legally available for such purchase or acquisition in accordance with the Bye-laws and applicable laws. Under the Bermuda Companies Act, any payment made by the Company in consideration of the purchase or acquisition of its Shares may be made out of the capital paid up thereon or out of the funds of the Company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purposes of the repurchase or acquisition. The premium, if any, payable on repurchase or acquisition of Shares, is to be provided for out of funds of the Company which would otherwise be available for dividend or distribution or out of the Share Premium Account before the Shares are repurchased or acquired. The Company intends to use internal sources of funds, external borrowings, or a combination of internal resources and external borrowings, to finance purchases or acquisitions of its Shares. The Directors do not propose to exercise the Share Buy-back Mandate to such extent that it would materially affect the working capital requirements, financial flexibility or investment ability of the Group.

4.8 Financial Effects. The financial effects on the Group arising from purchases or acquisitions of Shares which may be made pursuant to the Share Buy-back Mandate will depend on, *inter alia*, the manner in which the purchase or acquisition is funded, the aggregate number of Shares purchased or acquired and the consideration paid at the relevant time. The financial effects on the Group based on the FY2021 Results are based on the assumptions set out below.

4.8.1 Manner in which the Purchase or Acquisition is Funded

Under the Bermuda Companies Act, any payment made by the Company in consideration of the purchase or acquisition of its Shares may be made out of the capital paid up thereon or out of the funds of the Company which would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of Shares made for the purposes of the repurchase or acquisition. The premium, if any, payable on repurchase or acquisition of Shares, is to be provided for out of funds of the Company which would otherwise be available for dividend or distribution or out of the Share Premium Account before the Shares are repurchased or acquired.

Where any payment made by the Company in consideration of the purchase or acquisition of Shares is made out of the capital paid up thereon or out of the proceeds of a fresh issue of Shares made for the purposes of the repurchase or acquisition, the amount available for declaration and payment of cash dividends by the Company will not be reduced.

LETTER FROM THE BOARD

Where any payment made by the Company in consideration of the purchase or acquisition of Shares is made out of funds of the Company which would otherwise be available for dividend or distribution, such consideration (excluding brokerage, commission, applicable goods and services tax and other related expenses) will correspondingly reduce the amount available for declaration and payment of cash dividends by the Company.

4.8.2 Maximum Price Paid for Shares Acquired or Purchased

Based on 2,860,876,723 issued Shares as at the Latest Practicable Date, the purchase by the Company of 10 per cent. of such Shares will result in the purchase or acquisition of 286,087,672 Shares.

Assuming that the Company purchases or acquires the 286,087,672 Shares on the SGX-ST at the Maximum Price on the Latest Practicable Date, the maximum amount of funds required is approximately:

- (i) in the case of Market Purchases, S\$93,836,756 based on S\$0.328 for each Share (being the price equivalent to five per cent. above the Average Closing Price of the Shares traded on the SGX-ST over the last five Market Days preceding the Latest Practicable Date); and
- (ii) in the case of Off-Market Purchases, S\$93,836,756 based on S\$0.328 for each Share (being the price equivalent to five per cent. above the Average Closing Price of the Shares traded on the SGX-ST over the last five Market Days preceding the Latest Practicable Date).

4.8.3 For illustrative purposes only, on the basis of the assumptions set out above as well as the following:

- (i) the Share Buy-back Mandate had been effective on 1 January 2021;
- (ii) the purchase of Shares took place at the beginning of the financial year on 1 January 2021;
- (iii) there was no issuance of Shares after the Latest Practicable Date; and
- (iv) the Share purchases were funded by internal resources and/or external borrowings,

LETTER FROM THE BOARD

(6) “n.m.” means not meaningful.

(7) “Gearing Ratio” represents the ratio of total liabilities to total assets.

SHAREHOLDERS SHOULD NOTE THAT THE FOREGOING FINANCIAL EFFECTS ARE BASED ON THE FY2021 RESULTS AND THE ABOVE ASSUMPTIONS AND ARE FOR ILLUSTRATION ONLY. THE FY2021 RESULTS MAY NOT BE REPRESENTATIVE OF FUTURE PERFORMANCE.

It should be noted that although the Share Buy-back Mandate would authorise the Company to purchase or acquire up to 10 per cent. of the total number of issued Shares, the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire 10 per cent. In addition, the Shares purchased or acquired by the Company shall be treated as cancelled immediately or be held by the Company as treasury shares upon purchase or acquisition. The Company will take into account both financial and non-financial factors (for example, stock market conditions and the performance of the Shares) in assessing the relative impact of a Share purchase before execution.

4.9 Taxation. Shareholders who are in doubt as to their respective tax positions or any tax implications, or who may be subject to tax in a jurisdiction outside Singapore or Hong Kong, should consult their own professional advisers.

4.10 Listing Status of the Shares under the SGX-ST Listing Manual and the SEHK Listing Rules. The SGX-ST Listing Manual requires a listed company to ensure that at least 10 per cent. of the total number of its issued shares (excluding treasury shares, subsidiary holdings, preference shares and convertible equity securities) in a class that is listed is held by public shareholders at all times.

As at the Latest Practicable Date, approximately 27.05 per cent. of the total number of Shares are held by public Shareholders. Accordingly, the Company is of the view that there is a sufficient number of the Shares in issue held by public Shareholders which would permit the Company to undertake purchases or acquisitions of its Shares through Market Purchases and/or Off-Market Purchases up to the full 10 per cent. limit pursuant to the Share Buy-back Mandate without affecting the listing status of the Shares on the SGX-ST. The Company will consider investor interests when maintaining a liquid market in its securities and will ensure that there is a sufficient float for an orderly market in its securities when purchasing its Shares.

LETTER FROM THE BOARD

Under the SEHK Listing Rules

The SEHK Listing Rules prohibit a company from making repurchase on the SEHK if the result of the repurchase leads to less than 25% (or such other prescribed minimum percentage as determined by the SEHK) of the issued Shares to be held in public hands. The Company has no present intention to exercise the Share Buy-back Mandate to such extent which would otherwise result in the number of Shares being held by the public falling below such minimum requirement.

An issuer shall not purchase its shares on the SEHK at any time after inside information has come to its knowledge until the information is made publicly available. In particular, during the period of one month immediately preceding the earlier of (a) the date of the board meeting (as such date is first notified to the SEHK in accordance with the SEHK Listing Rules) for the approval of the issuer's results for any year, half-year, quarterly or any other interim period (whether or not required under the SEHK Listing Rules); and (b) the deadline for the issuer to announce its results for any year or half-year under the SEHK Listing Rules, or quarterly or any other interim period (whether or not required under the SEHK Listing Rules), and ending on the date of the results announcement, the issuer may not purchase its shares on the SEHK, unless the circumstances are exceptional. Further, an issuer shall not knowingly purchase its shares from a Core Connected Person and a Core Connected Person shall not knowingly sell shares to the issuer, on the SEHK.

In undertaking any purchases or acquisitions of the Shares, the Directors will use their best efforts to ensure that, notwithstanding such Share purchases or acquisitions, a sufficient float in the hands of the public will be maintained so that the Share purchases or acquisitions will not adversely affect the listing status of the Shares on the SEHK, cause market illiquidity or adversely affect the orderly trading of the Shares.

4.11 SGX-ST Listing Manual. The SGX-ST Listing Manual restricts a listed company from purchasing shares by way of market purchases at a price per share which is more than five per cent. above the "average closing price", being the average of the closing market prices of the shares over the last five Market Days on which transactions in the shares were recorded, before the day on which the purchases were made, and deemed to be adjusted for any corporate action that occurs during the relevant five-day period and the day on which the purchases are made. The Maximum Price for a Share in relation to Market Purchases referred to in paragraph 4.4.4(i) above complies with this requirement. Although the SGX-ST Listing Manual does not prescribe a maximum price in relation to purchases of shares by way of off-market purchases, the Company has set a cap of five per cent. above the Average Closing Price as the maximum price for a Share to be purchased or acquired by way of an Off-Market Purchase.

LETTER FROM THE BOARD

The Company will not undertake any purchase or acquisition of Shares pursuant to the Share Buy-back Mandate at any time after any matter or development of a price sensitive nature has occurred or has been the subject of consideration and/or a decision of the Board until such price sensitive information has been publicly announced. In particular, the Company will not purchase or acquire any Shares during the period commencing one month before the announcement of the Company's half year and full year results.

4.12 Reporting Requirements. The SGX-ST Listing Manual specifies that a listed company shall report all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m. (i) in the case of a Market Purchase, on the Market Day following the day of purchase or acquisition of any of its shares; and (ii) in the case of an Off-Market Purchase, on the second Market Day after the close of acceptances of the offer. Such announcement (which must be in the form prescribed by the SGX-ST Listing Manual) must include details of the date of the purchase, the total number of shares purchased, the number of shares cancelled, the number of shares held as treasury shares, the purchase price per share or the highest and lowest prices paid for such shares, as applicable, the total consideration (including stamp duties and clearing charges) paid or payable for the shares, the number of shares purchased as at the date of announcement (on a cumulative basis), the number of shares excluding treasury shares and subsidiary holdings, the number of treasury shares held after the purchase and the number of subsidiary holdings after the purchase.

Under the SEHK Listing Rules, after a listed issuer has made a purchase of its shares whether on the SEHK or otherwise, the listed issuer shall:

- (a) submit for publication to the SEHK not later than 30 minutes before the earlier of the commencement of the morning trading session or any pre-opening session on the business day following any day on which the issuer makes a purchase or acquisition of shares (whether on the SEHK or otherwise), the total number of shares purchased or acquired by the issuer on the previous day, the purchase price per share or the highest and lowest prices paid for such purchases or acquisitions of shares which were made on the SEHK were made in accordance with the SEHK Listing Rules and if the issuer's primary listing is on the SEHK, that there have been no material changes to the particulars contained in the explanatory statement issued by the listed issuer in relation to the mandate pursuant to which such purchase or acquisition of shares is made. In respect of purchases or acquisitions of shares made on another stock exchange, the issuer's report must confirm that those purchases were made in accordance with the domestic rules applying to purchases on that other stock exchange. Such reports shall be made on a return in such form and containing such information as the SEHK may from time to time prescribe. In the event that no shares are purchased on any particular day then no return need be made to the SEHK; and

LETTER FROM THE BOARD

- (b) include in its annual report and accounts a monthly breakdown of purchases of shares made during the financial year under review showing the number of shares purchased each month (whether on the SEHK or otherwise) and the purchase price per share or the highest and lowest price paid for all such purchases, where relevant, and the aggregate price paid by the issuer for such purchases. The section headed “Directors’ Statement” in the annual report shall contain reference to the purchases made during the year and the reasons for making such purchases.

4.13 Take-over Implications under the SG Take-over Code. Appendix 2 of the SG Take-over Code contains the Share Buy-back Guidance Note. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below.

4.13.1 *Obligation to make a Take-over Offer*

If, as a result of any purchase or acquisition by the Company of its Shares, the proportionate interest in the voting capital of the Company of a Shareholder and persons acting in concert with him increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the SG Take-over Code. Consequently, a Shareholder or a group of Shareholders acting in concert with a Director could obtain or consolidate effective control of the Company and become obliged to make an offer under Rule 14 of the SG Take-over Code.

4.13.2 *Persons Acting in Concert*

Under the SG Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of that company.

In addition, under the SG Take-over Code, certain persons are presumed to be acting in concert with each other, unless the contrary is established. For example, the following individuals and companies will be presumed to be acting in concert with each other:

- (i) the following companies:
- (a) a company;
 - (b) the parent company of (a);
 - (c) the subsidiaries of (a);
 - (d) the fellow subsidiaries of (a);

LETTER FROM THE BOARD

- (e) the associated companies of any of (a), (b), (c) or (d);
 - (f) companies whose associated companies include any of (a), (b), (c), (d) or (e); and
 - (g) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing companies for the purchase of voting rights; and
- (ii) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts).

The circumstances under which Shareholders, including Directors and persons acting in concert with them respectively, will incur an obligation to make a take-over offer under Rule 14 of the SG Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 to the SG Take-over Code.

4.13.3 Effect of Rule 14 and Appendix 2

In general terms, the effect of Rule 14 and Appendix 2 of the SG Take-over Code is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring Shares, the voting rights of such Directors and their concert parties would increase to 30 per cent. or more, or in the event that such Directors and their concert parties hold between (and including) 30 per cent. and 50 per cent. of the Company's voting rights, if the voting rights of such Directors and their concert parties would increase by more than one per cent. in any period of six months. In calculating the percentages of voting rights of such Directors and their concert parties, treasury shares shall be excluded.

Under Appendix 2 of the SG Take-over Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 of the SG Take-over Code if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to 30 per cent. or more, or, if such Shareholder holds between (and including) 30 per cent. and 50 per cent. of the Company's voting rights, the voting rights of such Shareholder would increase by more than one per cent. in any period of six months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Buy-back Mandate.

LETTER FROM THE BOARD

Based on the interests of the Substantial Shareholders as recorded in the Register of Substantial Shareholders as at the Latest Practicable Date as set out in paragraph 5.3 below, none of the Substantial Shareholders would become obliged to make a take-over offer for the Company under Rule 14 of the SG Take-over Code as a result of the purchase by the Company of the maximum limit of 10 per cent. of its issued Shares as at the Latest Practicable Date.

4.14 Take-over Implications under the Hong Kong Takeovers Code

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase Shares pursuant to the Share Buy-back Mandate, such an increase will be treated as an acquisition for the purpose of Rule 32 of the Hong Kong Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Hong Kong Takeovers Code. As at the Latest Practicable Date, the Directors are not aware of any Shareholders, or a group of Shareholders acting in concert, who may become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Hong Kong Takeovers Code in the event that the Directors exercise the power to repurchase Shares pursuant to the Share Buy-back Mandate.

LETTER FROM THE BOARD

SHAREHOLDERS WHO ARE IN DOUBT AS TO THEIR OBLIGATIONS, IF ANY, TO MAKE A MANDATORY TAKE-OVER OFFER UNDER THE SG TAKE-OVER CODE OR THE HONG KONG TAKEOVERS CODE AS A RESULT OF ANY PURCHASE OR ACQUISITION OF SHARES BY THE COMPANY SHOULD CONSULT THE SECURITIES INDUSTRY COUNCIL OF SINGAPORE AND THE SECURITIES AND FUTURES COMMISSION OF HONG KONG AND/OR THEIR PROFESSIONAL ADVISERS AT THE EARLIEST OPPORTUNITY.

4.15 General and Director's undertaking

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, their Close Associates, have any present intention to sell to the Company or its subsidiaries any of the Shares in the Company if the Share Buy-Back Mandate is approved at the 2022 AGM.

No Core Connected Person has notified the Company that he/she has a present intention to sell any Shares to the Company nor has he/she undertaken not to sell any of the Shares held by him/her to the Company in the event that the Company is authorised to make repurchases of Shares when the Share Buy-Back Mandate is approved and exercised.

The Directors have undertaken to the SEHK that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Share Buy-Back Mandate in accordance with the SEHK Listing Rules and applicable laws of Singapore, and in accordance with the regulations set out in the Bye-laws.

6.1 Background. Pursuant to Bye-law 85(6), Mr. Hu Yanguo (胡延國) (“**Mr. Hu**”) and Mr. Tao Junjie (陶俊杰) (“**Mr. Tao**”) will retire as Directors. Pursuant to Bye-law 86(1) of the Bye-laws, Mr. Luo Junling (羅俊嶺) (“**Mr. Luo**”), will also retire as Director by rotation. All of the retiring Directors, being eligible, will offer themselves for re-election at the 2022 AGM.

The Nominating Committee has reviewed the structure and composition of the Board, the qualifications, skills, knowledge and experience, time commitment and contributions of the retiring Directors, having regard to the nomination policy and the board diversity policy of the Company.

LETTER FROM THE BOARD

The Nominating Committee is of the view that the retiring Directors have extensive experience in different fields and professions that are relevant to the Company's business. In addition, their respective educational background, experience and knowledge allow them to provide valuable and relevant insights and contribute to the diversity of the Board. Accordingly the Nominating Committee and the Board recommend that Mr. Hu Yanguo, Mr. Tao Junjie and Mr. Luo Junling be nominated for re-election as Directors, at the 2022 AGM.

The Board has resolved to put forward the above proposals at the 2022 AGM for the consideration and approval by the Shareholders. The appointment of each of the Directors shall take effect from the date of approval by the Shareholders at the 2022 AGM by way of an ordinary resolution and shall last for a term of three years commencing from the date of approval at the 2022 AGM.

6.2 Biographical Details of Directors. Biographical details of the Directors to be re-elected as members of the Board are as follows:

Executive Director

Mr. Hu Yanguo, aged 55, is the Executive Director and Chairman of the Company. He is also the chairman of the Strategy Committee and a member of the Nominating Committee, and a director of several subsidiaries of the Company.

Mr. Hu is an executive director and a vice president of Everbright Environment. Mr. Hu is also a member of the disclosure committee and a director of several subsidiaries of Everbright Environment.

Mr. Hu was a non-executive director of Everbright Greentech. Prior to joining the Group and Everbright Environment, Mr. Hu was the person-in-charge of the accounting department of the Guangzhou branch of China Everbright Bank Company Limited (the shares of which are listed on the Main Board of the SEHK (Stock Code: 6818) and the SSE (Stock Code: 601818)). Mr. Hu also worked for Northeast Forestry University in the PRC.

Mr. Hu obtained a Master's degree in Forestry Economy and Management and a Bachelor's degree in Mathematics from Northeast Forestry University in the PRC. He is a Certified Public Accountant in the PRC.

Mr. Hu joined the Board in October 2021, and has since attended trainings organised by the Singapore Institute of Directors.

As at the Latest Practicable Date, Mr. Hu has personal interest in 287,000 shares in Everbright Greentech.

LETTER FROM THE BOARD

Mr. Hu was a director of Qinghai Xiancheng Industry Stock Co., Ltd.* (now known as Qinghai Spring Medicinal Resources Technology Co., Ltd.*) (“**Xiancheng Industry**”) (the shares of which are listed on the SSE with stock code 600381) from June 2001 to April 2006. During his tenure, Xiancheng Industry did not timely disclose its external guarantee, and therefore Xiancheng Industry did not comply with the Rules Governing the Listing of Stocks on the SSE and breached the Securities Law of the PRC (the “**Incidents**”). Xiancheng Industry was publicly reprimanded by the SSE and warned by China Securities Regulatory Commission (“**CSRC**”) with a fine of RMB300,000. As advised by Mr. Hu, although the Incidents were caused by the untimely disclosure of the external guarantee by Xiancheng Industry, Mr. Hu was criticised by the SSE and warned by CSRC with a fine of RMB30,000 since he was the then director of Xiancheng Industry. So far as the Company is aware, there is no evidence that the Incidents involved any act of dishonesty, fraudulence or issue of integrity of Mr. Hu which would affect his suitability as a director of a listed company; and the Incidents occurred more than 10 years ago. Mr. Hu has not received any further correspondences from the relevant regulatory authorities in connection with any further investigation by any judicial, regulatory or governmental authority in relation to the Incidents. Accordingly, the Board considers that Mr. Hu is competent and suitable to act as Director pursuant to Rules 3.08 and 3.09 of the SEHK Listing Rules and he possesses the experience, skill and character to be an executive Director.

1. CHAPTER 9 OF THE SGX-ST LISTING MANUAL

- 1.1** Chapter 9 of the listing manual (the “**SGX-ST Listing Manual**”) of the Singapore Exchange Securities Trading Limited (“**SGX-ST**”) governs transactions by a listed company, as well as transactions by its subsidiaries and associated companies that are considered to be at risk, with the listed company’s interested persons. When this Chapter applies to a transaction and the value of that transaction alone or on aggregation with other transactions conducted with the interested person during the financial year reaches, or exceeds, certain materiality thresholds, the listed company is required to make an immediate announcement, or to make an immediate announcement and seek its shareholders’ approval for that transaction.
- 1.2** Except for certain transactions which, by reason of the nature of such transactions, are not considered to put the listed company at risk to its interested person and hence are excluded from the ambit of Chapter 9, immediate announcement and shareholders’ approval would be required in respect of transactions with interested persons if certain financial thresholds (which are based on the value of the transaction as compared with the listed company’s latest audited consolidated net tangible assets (“**NTA**”)) are reached or exceeded. In particular, shareholders’ approval is required for an interested person transaction of a value equal to, or which exceeds:
- (a) 5 per cent. of the listed company’s latest audited consolidated NTA; or
 - (b) 5 per cent. of the listed company’s latest audited consolidated NTA, when aggregated with other transactions entered into with the same interested person (as such term is construed under Chapter 9 of the SGX-ST Listing Manual) during the same financial year.
- 1.3** Based on the latest audited consolidated financial statements of China Everbright Water Limited (the “**Company**”) and its subsidiaries (the “**Group**”) for the financial year ended 31 December 2021, the consolidated NTA of the Group was HK\$11,622,169,000. In relation to the Company, for the purposes of Chapter 9, in the current financial year and until such time that the consolidated audited financial statements of the Group for the year ending 31 December 2022 are published, 5 per cent. of the latest audited consolidated NTA of the Group would be HK\$581,108,461.
- 1.4** Chapter 9 of the SGX-ST Listing Manual permits a listed company, however, to seek a mandate from its shareholders for recurrent transactions of a revenue or trading nature or those necessary for its day-to-day operations such as the purchase and sale of supplies and materials (but not in respect of the purchase or sale of assets, undertakings or businesses) that may be carried out with the listed company’s interested persons.

1.5 Under the SGX-ST Listing Manual:

- (a) an “**entity at risk**” means:
 - (i) the listed company;
 - (ii) a subsidiary of the listed company that is not listed on the SGX-ST or an approved exchange; or
 - (iii) an associated company of the listed company that is not listed on the SGX-ST or an approved exchange, provided that the listed company and/or its subsidiaries (the “**listed group**”), or the listed group and its interested person(s), has control over the associated company;
- (b) an “**interested person**” means a director, chief executive officer or controlling shareholder of the listed company or an associate of such director, chief executive officer or controlling shareholder;
- (c) an “**associate**” in relation to an interested person who is a director, chief executive officer or controlling shareholder includes an immediate family member (that is, the spouse, child, adopted child, step-child, sibling or parent) of such director, chief executive officer or controlling shareholder, the trustees of any trust of which the director/his immediate family, the chief executive officer/his immediate family or controlling shareholder/his immediate family is a beneficiary or, in the case of a discretionary trust, is a discretionary object, and any company in which the director/his immediate family, the chief executive officer/his immediate family or controlling shareholder/his immediate family has or have an aggregate interest (directly or indirectly) of 30 per cent. or more, and, where a controlling shareholder is a corporation, its subsidiary or holding company or fellow subsidiary or a company in which it and/or they have (directly or indirectly) an interest of 30 per cent. or more;
- (d) an “**approved exchange**” means a stock exchange that has rules which safeguard the interests of shareholders against interested person transactions according to similar principles to Chapter 9; and
- (e) an “**interested person transaction**” means a transaction between an entity at risk and an interested person.

2. RATIONALE FOR THE IPT MANDATE

2.1 It is envisaged that in the ordinary course of their businesses, transactions between companies in the EAR Group (as defined below) and the Company's interested persons are likely to occur from time to time. Such transactions are necessary for the day-to-day operations of the EAR Group and would include, but are not limited to, the provision of goods, facilities and services in the ordinary course of business of the EAR Group to the Company's interested persons or the obtaining of goods, facilities and services from them.

2.2 In particular, China Everbright Group Ltd., the Company's indirect controlling shareholder, is a major financial holding group in China, with business presence in various industries and sectors. Its business areas include, amongst others, banking, securities, insurance, funds, trusts, futures, leasing, investment, environmental protection, hospitalism and pharmaceutical. The EAR Group (as defined below) may leverage on China Everbright Group's (as defined below) wide spectrum of businesses and rich resources to support its future development. Some of China Everbright Group Ltd.'s major subsidiaries include:

- (a) China Everbright Environment Group Limited, a one-stop integrated environmental solution provider listed on The Stock Exchange of Hong Kong Limited (“SEHK”);
- (b) China Everbright Limited, an investment holding company principally engaged in fund management and investment business and listed on SEHK;
- (c) China Everbright Bank Company Limited, a commercial bank listed on the Shanghai Stock Exchange (“SSE”) and SEHK;
- (d) Everbright Securities Company Limited, a securities brokerage company listed on the SSE and the SEHK; and
- (e) Sun Life Everbright Life Insurance Co., Ltd., an insurance company which has branches in various provinces and municipalities in China.

2.3 In view of the time-sensitive nature of commercial transactions, the renewal of the general mandate (the “**IPT Mandate**”) pursuant to Chapter 9 of the SGX-ST Listing Manual will enable:

- (a) the Company;
- (b) subsidiaries of the Company (excluding subsidiaries listed on the SGX-ST or an approved exchange); and
- (c) associated companies of the Company (other than an associated company that is listed on the SGX-ST or an approved exchange) over which the Group, or the Group and interested person(s) of the Company has or have control,

(together, the “**EAR Group**”), or any of them, in the ordinary course of their businesses, to enter into the categories of transactions (“**Mandated IPTs**”) set out in paragraph 6.1 below with the Company’s interested persons (the “**Mandated Interested Persons**”) set out in paragraph 5.1 below, provided such Mandated IPTs are made on normal commercial terms.

3. SCOPE OF THE IPT MANDATE

3.1 The EAR Group engages in a wide range of activities (as described in paragraph 6.1 below) for which the renewal of the IPT Mandate is being sought.

3.2 The IPT Mandate does not cover any transaction by a company in the EAR Group with a Mandated Interested Person that is below S\$100,000 in value as the threshold and aggregation requirements of Chapter 9 of the SGX-ST Listing Manual would not apply to such transactions.

3.3 Transactions with interested persons (including the Mandated Interested Persons) that do not fall within the ambit of the IPT Mandate will be subject to the relevant provisions of Chapter 9 of the SGX-ST Listing Manual and/or other applicable provisions of the SGX-ST Listing Manual.

4. BENEFIT TO SHAREHOLDERS

4.1 The IPT Mandate (and its subsequent renewal thereafter on an annual basis) will enhance the ability of companies in the EAR Group to pursue business opportunities which are time-sensitive in nature, and will eliminate the need for the Company to announce, or to announce and convene separate general meetings on each occasion to seek Shareholders' prior approval for the entry by the relevant company in the EAR Group into such transactions. This will substantially reduce the expenses associated with the convening of general meetings on an ad hoc basis, improve administrative efficacy considerably, and allow manpower resources and time to be channelled towards attaining other corporate objectives.

5. MANDATED INTERESTED PERSONS

5.1 The IPT Mandate applies to the Mandated IPTs (as described in paragraph 6.1 below) which are carried out with China Everbright Group Ltd. and its associates (the "**China Everbright Group**").

5.2 Transactions with Mandated Interested Persons which do not fall within the ambit of the IPT Mandate shall be subject to the relevant provisions of Chapter 9 of the SGX-ST Listing Manual.

6. CATEGORIES OF MANDATED IPTS

6.1 The Mandated IPTs with the Mandated Interested Persons (as described in paragraph 5.1 above) which are covered by the IPT Mandate and the benefits to be derived therefrom are set out below:

6.1.1 General Transactions

This category relates to general transactions ("**General Transactions**") in connection with the provision to, or the obtaining from, Mandated Interested Persons of products and services in the normal course of business of the EAR Group or which are necessary for the day-to-day operations of the EAR Group comprising the following:

(i) *Environmental Activities*

The products and services under this sub-category are:

- (a) the provision of waste water treatment and reusable water services;

- (b) the provision of waste leachate treatment services;
- (c) the receipt of sludge treatment and disposal (including sludge incineration and sanitary landfill) services;
- (d) the receipt of hazardous waste treatment services;
- (e) the receipt of environmental energy products (including steam and electricity); and
- (f) the collaboration in engineering, procurement and construction services to build infrastructure facilities in connection with the environmental protection projects.

(ii) *Insurance Activities*

The products and services under this sub-category are the purchase of insurance and the obtaining of insurance-related services.

(iii) *General Activities*

The products, facilities and services under this sub-category are:

- (a) the leasing and rental (as lessor and lessee) of properties for residential, industrial and commercial purposes; and
- (b) the provision or the obtaining of property management services in connection with the activity mentioned in paragraph 6.1.1(iii)(a) above.

The EAR Group will benefit from having access to competitive quotes from the different companies in the different industries within the China Everbright Group in addition to obtaining quotes from, or transacting with, non-Mandated Interested Persons.

The headings in this paragraph 6.1.1 are inserted for branding purposes only and shall be ignored in construing the types of General Transactions which are covered by the IPT Mandate.

6.1.2 Treasury Transactions

Treasury transactions (“**Treasury Transactions**”) comprise (a) the placement of funds or deposits with any Mandated Interested Person, (b) the borrowing of funds from any Mandated Interested Person, (c) the entry into with any Mandated Interested Person of forex, swap and option transactions for hedging purposes, (d) the issue of debt securities (including but not limited to corporate bonds and/or asset backed securities) to any Mandated Interested Person, (e) the receipt of underwriting and advisory services from any Mandated Interested Person in relation to issuance and/or quotation of securities (including but not limited to convertible bonds, hybrid bonds, corporate bonds, asset backed securities, ordinary shares, preference shares, rights and/or other securities) issued by the EAR Group and (f) the receipt of fund management services from any Mandated Interested Person.

Considering China Everbright Group’s rich experience and resources in the financial services and asset management industries, the EAR Group can benefit from competitive rates and quotes in an expedient manner on the Treasury Transactions.

6.1.3 Management and Support Services

The EAR Group may, from time to time, receive management and support services from, or provide management and support to, its Mandated Interested Persons in the areas of finance, treasury, management information systems, and human resources management and development (“**Management Support Services**”). By having access to and providing such management support, the EAR Group will derive operational and financial leverage in its dealings with third parties as well as benefits from the global network of its Mandated Interested Persons.

7. REVIEW PROCEDURES FOR MANDATED IPTS

7.1 The EAR Group has established the following procedures to ensure that Mandated IPTs are undertaken on an arm’s length basis and on normal commercial terms:

7.1.1 General Transactions

Review Procedures

In general, there are procedures established by the EAR Group to ensure that General Transactions with Mandated Interested Persons are undertaken on an arm’s length basis and on normal commercial terms consistent with the EAR

Group's usual business practices and policies, which are generally no more favourable to the Mandated Interested Persons than those extended to unrelated third parties.

In particular, the following review procedures have been put in place.

(a) Provision of services or the sale of products

The review procedures are:

- (i) all contracts entered into or transactions with Mandated Interested Persons are to be carried out at the prevailing market rates or prices of the service or product providers, on terms which are no more favourable to the Mandated Interested Person than the usual commercial terms extended to unrelated third parties (including, where applicable, preferential rates/prices/discounts accorded to corporate customers or for bulk purchases) or otherwise in accordance with applicable industry norms; and
- (ii) where the prevailing market rates or prices are not available due to the nature of service to be provided or the product to be sold, the EAR Group's pricing for such services to be provided or products to be sold to Mandated Interested Persons is determined in accordance with the EAR Group's usual business practices and pricing policies, consistent with the usual margin to be obtained by the EAR Group for the same or substantially similar type of contract or transaction with unrelated third parties. In determining the transaction price payable by Mandated Interested Persons for such services or products, factors such as, but not limited to, quantity, volume consumption, customer requirements, specifications, duration of contract and strategic purposes of the transaction will be taken into account.

- (b) Obtaining of services or the purchasing of products

The review procedures are:

- (i) all contracts entered into or transactions with Mandated Interested Persons are to be carried out by obtaining quotations (wherever possible or available) from at least two other unrelated third party suppliers for similar quantities and/or quality of services or products, prior to the entry into of the contract or transaction with the Mandated Interested Person, as a basis for comparison to determine whether the price and terms offered by the Mandated Interested Person are fair and reasonable and comparable to those offered by other unrelated third parties for the same or substantially similar type of services or products. In determining whether the price and terms offered by the Mandated Interested Person are fair and reasonable, factors such as, but not limited to, delivery schedules, specification compliance, track record, experience and expertise, and where applicable, preferential rates, rebates or discounts accorded for bulk purchases, will also be taken into account; and
- (ii) in the event that such competitive quotations cannot be obtained (for instance, if there are no unrelated third party vendors of similar products or services, or if the product is a proprietary item), the senior management staff of the relevant company in the EAR Group (with no interest, direct or indirect in the transaction), will determine whether the price and terms offered by the Mandated Interested Person are fair and reasonable.

7.1.2 Treasury Transactions

Placements

In relation to the placement or deposit with any Mandated Interested Person by the EAR Group of its funds, the Company will require that quotations shall be obtained from such Mandated Interested Person and at least two banks for rates of deposits with such bankers of an equivalent amount, and for the equivalent period, of the funds to be placed by the EAR Group. The EAR Group will only place or deposit its funds with such Mandated Interested Person, provided that the terms quoted are no less favourable than the terms quoted by such banks for equivalent amounts. In addition, the Audit Committee will also evaluate the credit risks of the Mandated Interested Person to ensure that risks of default have been considered when determining whether or not to allow for the placement or deposit.

Borrowings

In relation to the borrowing of funds from any Mandated Interested Person by the EAR Group, the Company will require that quotations shall be obtained from such Mandated Interested Person and at least two banks for rates for loans from such banks of an equivalent amount, and for the equivalent period, of the funds to be borrowed. The EAR Group will only borrow funds from such Mandated Interested Person, provided that the terms quoted are no less favourable than those quoted by such banks.

Debt Securities

In relation to the issue to Mandated Interested Persons of debt securities (including but not limited to corporate bonds and/or asset backed securities), the EAR Group will only issue such debt securities to Mandated Interested Persons provided that the price(s) at which the EAR Group issues such debt securities will not be lower than the price(s) at which such debt securities are issued to third parties. The EAR Group will also comply with all applicable laws and regulations in connection with the issue of such debt securities to Mandated Interested Persons.

Underwriting and Advisory Services

In relation to underwriting and advisory services provided by any Mandated Interested Persons, the Company will require that quotations shall be obtained from such Mandated Interested Person and at least two other counterparties. The EAR Group will only agree to allow Mandated Interested Persons to underwrite and/or advise on the issuance and/or quotation of the securities (including but not limited to convertible bonds, hybrid bonds, corporate bonds, asset backed securities, ordinary shares, preference shares, rights and/or other securities) issued by the EAR Group, provided that the price(s) or fee(s) at which the Mandated Interested Persons underwrite and/or advise such securities will not be higher than the price(s) or fee(s) at which such securities are underwritten or advised by third parties.

Forex, Swaps, Options

In relation to forex, swap and option transactions with any Mandated Interested Person by the EAR Group, the Company will require that rate quotations shall be obtained from such Mandated Interested Person and at least two banks. The EAR Group will only enter into such forex, swap or option transactions with such Mandated Interested Person provided that such terms quoted are no less favourable than the terms quoted by such banks.

Fund Management Services

In relation to fund management services provided by any Mandated Interested Persons, the Company will require that quotations shall be obtained from such Mandated Interested Person and at least two other counterparties. The EAR Group will only agree to allow Mandated Interested Persons to provide fund management services to the EAR Group, provided that the price(s) or fee(s) at which the Mandated Interested Persons provides such fund management services will not be higher than the price(s) or fee(s) at which such services are provided for by third parties.

7.1.3 Management Support Services

In relation to receiving Management Support Services, the Company shall endeavour to obtain a quotation from such Mandated Interested Person and at least two other potential service providers. The EAR Group shall then only be entitled to transact with the Mandated Interested Person on terms that are no less favourable than those quoted by such unrelated service providers.

In relation to the provision of Management Support Services to Mandated Interested Persons, the commercial terms for such transactions shall be at the prevailing market rates or prices that would be levied by other unrelated service providers for providing similar services or otherwise in accordance with applicable industry norms.

In the event that such competitive quotations or external benchmarks cannot be obtained (for instance, if there are no unrelated third party vendors which provide such services, or if the service is highly customised and cannot be provided by an external vendor), the EAR Group shall ensure that the commercial terms relating to any Management Support Services provided by or to any Mandated Interested Person shall be on an arm's length and normal commercial basis, having regard to other factors such as the actual time and costs incurred by the Mandated Interested Person or EAR Group entity for providing the specific service, and a reasonable margin which a third-party service provider would typically earn for providing services of a similar nature.

7.2 Threshold Limits

In addition to the review procedures, the following threshold limits will be applied to supplement the internal systems of the EAR Group to ensure that Mandated IPTs are undertaken with the Mandated Interested Persons on an arm's length basis and on normal commercial terms:

- (a) individual transactions equal to or exceeding S\$100,000 but less than S\$1 million in value will be reviewed and approved by the chief financial officer of the Company (the "**CFO**");
- (b) individual transactions equal to or exceeding S\$1 million but less than S\$5 million in value will be reviewed and approved by the chief executive officer of the Company (the "**CEO**");
- (c) individual transactions equal to or exceeding S\$5 million but less than S\$20 million in value will be reviewed and approved by majority of the audit committee of the Company (the "**Audit Committee**"); and

- (d) individual transactions equal to or exceeding S\$20 million in value shall be reviewed and approved by the board of Directors.

If any person specified above has an interest in a transaction falling within a category of transactions to be reviewed and approved by him, he will abstain from any decision making in respect of that transaction, and such transaction will be reviewed and approved by other persons who are authorised to review and approve that category of transactions, if any, who do not have any interest in that transaction.

If all persons who are authorised to review and approve a certain category of transactions abstain from voting, the transaction must be approved by the persons who are authorised to review and approve the next category of transactions that is higher in terms of value.

All Mandated IPTs entered into pursuant to the IPT Mandate shall be tabled to the Audit Committee for their review on a quarterly basis.

Individual transactions of a value less than S\$100,000 do not require review and approval and will not be taken into account in the aggregation referred to in sub-paragraphs (a) to (d) above.

- 7.3** The Company will maintain a register of transactions carried out with Mandated Interested Persons pursuant to the IPT Mandate (recording the basis, including the quotations obtained to support such basis, on which they were entered into), and the Company's internal audit plan will incorporate a review of all transactions entered into in the relevant financial year pursuant to the IPT Mandate.
- 7.4** The Audit Committee of the Company shall review these internal audit reports on Mandated IPTs to ascertain that the established review procedures to monitor Mandated IPTs have been complied with.
- 7.5** If during these periodic reviews by the Audit Committee, the Audit Committee is of the view that the review procedures as stated above have become inappropriate or insufficient in view of changes to the nature of, or the manner in which, the business activities of the EAR Group are conducted, the Company will revert to Shareholders for a fresh mandate based on new guidelines and review procedures to ensure that Mandated IPTs will be on an arm's length basis and on normal commercial terms.

8. VALIDITY PERIOD OF THE IPT MANDATE

The IPT Mandate, as renewed, will take effect from the passing of the ordinary resolution relating thereto, and will (unless revoked or varied by the Company in a general meeting) continue in force until the next annual general meeting of the Company following thereafter. Approval from Shareholders will be sought for the renewal of the IPT Mandate at each subsequent annual general meeting of the Company, subject to satisfactory review by the Audit Committee of its continued application to the transactions with Mandated Interested Persons.

9. DISCLOSURE IN ANNUAL REPORT

9.1 The Company will announce the aggregate value of transactions conducted with Mandated Interested Persons pursuant to the IPT Mandate for the relevant financial periods which the Company is required to report on pursuant to the SGX-ST Listing Manual and within the time required for the announcement of such report.

9.2 Disclosure will be made in the Company's annual report ("**Annual Report**") of the aggregate value of transactions conducted with Mandated Interested Persons pursuant to the IPT Mandate during the financial year, and in the Annual Reports for subsequent financial years that the IPT Mandate continues in force, in accordance with the requirements of Chapter 9 of the SGX-ST Listing Manual.

A Shareholder (whether individual or corporate) must either appoint the Chairman of the Annual General Meeting as his/her/its proxy or (in the case of a Depositor (as defined in section 81SF of the Securities and Futures Act 2001 of Singapore)) nominate the appointment of the Chairman of the Annual General Meeting as the proxy of The Central Depository (Pte) Limited (“CDP”) to attend, speak and vote on his/her/its behalf at the Annual General Meeting or pre-register as a Shareholder if such Shareholder or Depositor wishes to exercise his/her/its voting rights at the Annual General Meeting, whether as CDP’s proxy or on his/her/its own via electronic means.**

Where a Shareholder (whether individual or corporate) appoints the Chairman of the Annual General Meeting as his/her/its proxy, he/she/it must give specific instructions as to voting, or abstentions from voting, in respect of each of the resolutions set out in the proxy form, failing which the Chairman of the Annual General Meeting may vote or abstain from voting at his/her/their discretion.

Completion and return of an instrument appointing the Chairman of the Annual General Meeting as proxy will not prevent a Shareholder from attending and voting via electronic means at the Annual General Meeting if he/she/it subsequently wishes to do so, provided that in the event of such attendance by the Shareholder via electronic means, the relevant instrument submitted by the Shareholder shall be deemed to be revoked.

4. The instrument appointing the Chairman of the Annual General Meeting as proxy must be signed by the appointer, or his/her attorney duly authorised in writing, or if in the case of a corporation, must be either executed under its common seal or under the hand of an officer or attorney so authorised on that corporation’s behalf.
