

Press Release**EVERBRIGHT WATER SWEEPS MULTIPLE AWARDS,
RECEIVING RECOGNITION ON ITS INVESTMENT VALUE**

Singapore and Hong Kong, 14 December 2020 – China Everbright Water Limited (“Everbright Water” or the “Company”, stock codes: U9E.SG and 1857.HK) (中国光大水務有限公司) recently won multiple accolades from the investment sectors in Hong Kong and Singapore for its stable and sustainable operational performance. The Company was awarded the “ListCo Excellence Award 2020”, which was jointly presented by the HK stocks channel of *ifeng.com* and *am730*. It was also granted the “Highest Growth in Profit After Tax Over Three Years Award” under the transportation and utilities sector in the Centurion Club Category of the Billion Dollar Club 2020 by *The Edge Singapore*.

The annual “ListCo Excellence Award”, which is jointly launched by organisations including the HK stocks channel of *ifeng.com* and *am730*, is the only recognition for listed companies that is co-organised by media from mainland China and Hong Kong. The judging committee of the award includes fund managers, stock commentators and equity analysts from various authoritative financial institutions, with the aim to appreciate outstanding listed companies recognised by the business and investment sectors.

The Billion Dollar Club is an award series launched annually since 2017 by *The Edge Singapore*. It aims to recognise the best and most valuable listed companies, and offers valuable insights and credible testaments of companies for investors to make better investment decisions. As an important component of this award series, the Centurion Club Category is devoted to recognising excellent companies across different sectors that are listed on the Singapore Exchange, with a market capitalisation of between SGD100 million and SGD999 million. In 2019, Everbright Water was awarded the "Best Enterprise" under the services sector in the Centurion Club Category.

An Xuesong, Executive Director and CEO of Everbright Water, said, “Year to date, Everbright Water has made good progress in carrying out its businesses, which is indeed hard-won amid the complex external conditions. The two honours have demonstrated the Company’s solid fundamentals and promising outlook, as well as the capital market’s recognition of and confidence in Everbright Water. As an enterprise that is dual-listed in Singapore and Hong Kong, with a focus on water environment management, Everbright Water will continue adhering to the spirit of water, which stands for flexibility, quietness and resilience, to enhance its businesses via the enhancement of its whole-industry-chain approach with fully-fledged business coverage. The Company will also dedicate to cultivating its core competitiveness for stable progress with relentless efforts, with a view to moving steadily towards the goal of becoming ‘a comprehensive water enterprise with unique advantages’.”
