## Notes to the Condensed Consolidated Financial Statements

For the six months ended 31 December 2023 — Unaudited

#### **BASIS OF PREPARATION** 1.

The unaudited condensed consolidated interim financial statements of Chaoda Modern Agriculture (Holdings) Limited (the "Company") and its subsidiaries (collectively, the "Group") for the six months ended 31 December 2023 (the "Interim Financial Report") have been prepared in accordance with Hong Kong Accounting Standard 34 "Interim Financial Reporting" issued by the Hong Kong Institute of Certified Public Accountants (the "HKICPA") and the applicable disclosure requirements of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

The Interim Financial Report does not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the Group's annual financial statements for the year ended 30 June 2023 (the "2023 Annual Financial Statements").

The Interim Financial Report has been prepared in accordance with the same accounting policies adopted in the 2023 Annual Financial Statements, except for the adoption of the new, amended or revised Hong Kong Financial Reporting Standards ("HKFRSs") (which collectively include all applicable individual Hong Kong Financial Reporting Standard ("HKFRS"), Hong Kong Accounting Standard ("HKAS") and Interpretation issued by the HKICPA) as disclosed in Note 2 to the Interim Financial Report.

The Interim Financial Report is unaudited but has been reviewed by Elite Partners CPA Limited in accordance with Hong Kong Standard on Review Engagements 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the HKICPA.

#### APPLICATION OF NEW AND AMENDMENTS TO HONG KONG FINANCIAL 2. REPORTING STANDARDS ("HKFRSs")

#### New and Amendments to HKFRSs that are mandatorily effective for the current year

In the current period, the Group has applied the following amendments to HKFRSs issued by the HKICPA for the first time, which are mandatory effective for the Group annual period beginning on 1 July 2023 for the preparation of the consolidated financial statements:

Amendments to HKFRS 17 (including the October 2020 and Insurance Contracts

Amendments to HKAS 1 and HKFRS Practice Statement 2

February 2022 Amendments to HKFRS 17)

Amendments to HKAS 8

Amendments to HKAS 12

**Definition of Accounting Estimates** 

Deferred Tax related to Assets and Liabilities arising

from a Single Transaction

Disclosure of Accounting Policies

The application of the amendments to HKFRSs in the current interim period has had no material impact on the Group's financial positions and performance for the current and prior periods and/or on the disclosures set out in these consolidated financial statements.

#### Consolidated Financial Statements (continued)

For the six months ended 31 December 2023 — Unaudited

#### 3. REVENUE

The principal activities of the Group are the sales of crops.

Revenue represents the sales value of crop supplied to customers. Revenue from sales of crop is recognised at a point in time.

#### 4. SEGMENT INFORMATION

The Group identifies operating segments and prepares segment information based on the regular internal financial information reported to the executive directors for their decisions about resources allocation to the Group's business components and for their review of the performance of those components. The business components in the internal financial information reported to the executive directors are determined following the Group's major operations.

The Group's operating business are organised and managed separately according to the nature of products, which each segment representing a strategic business segment that offers different products in the People's Republic of China ("PRC") market. However, the Group's executive directors considered that over 90% of the Group's revenue, operating results and assets during the six months ended 31 December 2023 and 2022 were mainly derived from its sales of crops. Consequently, no operating segment analysis is presented.

The Company is an investment holding company and the principal place of the Group's operation is in the PRC. For the purpose of segment information disclosures under HKFRS 8, the Group regarded the PRC (excluding Hong Kong) as its country of domicile.

Over 90% of the Group's revenue from external customers by geographical location of customers are located in Hong Kong.

Over 90% of the Group's non-current assets are principally attributable to the PRC, being the single geographical region.

Revenue from customers of the current period contributing over 10% of the Group's total revenue are as follows:

#### Six months ended 31 December

Current tax  – PRC Enterprise Income Tax  – Hong Kong profits Tax	(a)	 297	— 667
		297	667

(a) No provision for the PRC enterprise income tax has been made in the condensed consolidated financial statements for six months ended 31 December 2023 and 2022 as the PRC companies within the Group either has no assessable profits arising from the PRC or exempt from the enterprise income tax.

According to the PRC tax law and its interpretation rules (the "PRC Tax Law"), enterprises that engage in qualifying agricultural business are eligible for certain tax benefits, including full enterprise income tax exemption or half reduction of enterprise income tax on profits derived from such business. Certain PRC subsidiaries engaged in qualifying agricultural business, which include the sales of crops, are entitled to full exemption of the enterprise income tax.

The enterprise income tax rate of other PRC subsidiaries of the Company not engaged in qualifying agricultural business is 25% for the six months ended 31 December 2023 and 2022.

Under the two-tiered profits tax rates regime of Hong Kong Profits Tax, the first HK\$2 million of profits of qualifying group entity will be taxed at 8.25%, and profits above HK\$2 million will be taxed at 16.5%. The profits of corporations not qualifying for the two-tiered profits tax rates regime will continue to be taxed at a flat rate of 16.5%. Accordingly, the Hong Kong Profits Tax of the qualifying group entity is calculated at 8.25% on the first HK\$2 million of the estimated assessable profits and at 16.5% on the assessable profits above HK\$2 million for the six months ended 31 December 2023 and 2022.

#### 7. DIVIDENDS

The Directors do not recommend the payment of interim dividend for the six months ended 31 December 2023 (Six months ended 31 December 2022; Nil).

#### Consolidated Financial Statements (continued)

For the six months ended 31 December 2023 — Unaudited

#### 8. LOSS PER SHARE

#### (a) Basic loss per share

The calculation of basic loss per share is based on the loss attributable to the owners of the Company of approximately RMB5,939,000 (Six months ended 31 December 2022: approximately RMB3,827,000) and the weighted average number of approximately 3,295,582,000 (Six months ended 31 December 2022: approximately 3,295,582,000) ordinary shares in issue during the period.

#### (b) Diluted loss per share

The calculation of diluted loss per share is based on the loss attributable to the owners of the Company of approximately RMB5,939,000 (Six months ended 31 December 2022: approximately RMB3,827,000) and the weighted average number of approximately 3,295,582,000 (Six months ended 31 December 2022: approximately 3,295,582,000) ordinary shares. The computation of diluted loss per share does not assume the conversion of the Company's share options outstanding since their exercise would result in a decrease in loss per share for the six months ended 31 December 2023 and 2022.

#### INDUSTRY OUTLOOK

At the beginning of 2024, the Central Committee of the Communist Party of China and the State Council released the 2024 "No.1 Document" focusing on the agricultural industry for twenty one consecutive years. The document propose a "road map" to effectively promote comprehensive rural revitalization..

The paper entitled Opinions of the Central Committee of the Communist Party of China and the State Council on learning and applying the experience of the "Green Rural Revival Programme" to effectively promote the comprehensive revitalization of rural areas. The full text has six parts, including: ensuring national food security, ensuring that large-scale return to poverty does not occur, improve the level of rural industrial development, improve the level of rural construction, improve the level of rural governance, and strengthen the Party's overall leadership over "Agriculture, Rural Areas and Rural People".

The paper points out that to promote Chinese-style modernization, we must persist in consolidating the agricultural foundation and promote comprehensive rural revitalization. It is necessary to learn and apply the development concepts, working methods and promotion mechanisms contained in "Green Rural Revival Programme", "Agriculture, Rural Areas and Rural People" take the promotion of comprehensive rural revitalization as the general starting point of the work in the new era and new journey, and adhere to the people-centered development thinking, implement the new development concept completely, accurately and comprehensively, implement measures according to local conditions and categories, proceed step by step and achieve long-term results, concentrate on accomplishing a number of practical things that are accessible to the people, and continuously achieve substantive achievements progress and phased results.

The paper proposes to ensure national food security and prevent large-scale return to poverty as the bottom line, focus on improving the level of rural industry development, rural construction, and rural governance, strengthen the science and technology and reform two-wheel drive, and strengthen measures to increase farmers' income, fight a good fight for comprehensive revitalization of rural areas and draw a new picture of livable, industrial and beautiful countryside to accelerate agricultural and rural modernization and better promote Chinese-style modernization.

Chaoda as the national level leading enterprise in green and modern agriculture, we had leveraged the Chaoda Innovation Think Tank professional team to improve innovative capability and scientific strength. Strived to adhere the green development concept, promoting green production, and attaching great importance to soil protection and rural ecological environment, so to improve the supply level and quality of agricultural products.

#### Management Discussion and Analysis

#### **FUTURE OUTLOOK**

Chaoda's new business model, which has been studied and tested in the past few years, is highly consistent with national policies. Chaoda's new business model addresses issues such as poor internal circulation of agricultural production, disconnection of agricultural production and sales, information asymmetry leading to "difficulties in selling" and "difficulties in buying," and outstanding regional, seasonal, and structural difficulties in agricultural products. Incorporate production-side products into system management, effectively connect with the demand-side, improve the modern agricultural industry system, production system, and operating system, promoting the standardization, informatization, and organization of agricultural products circulation, making full use of modern internet technology and big data platforms, through the agricultural futures market and trading means connect small-scale farmers with modern agriculture, which can effectively solve the problems of "difficulties in selling" and "difficulties in buying" caused by information asymmetry of agricultural products, and can promote agricultural efficiency and increase farmers' income.

In the future, the Group will focus on the digitalization of agricultural production, promote the Group's self-developed smart farm management system, and participate in the construction of the local government's agricultural big data platform, laying a solid foundation for the development of Chaoda's new business model.

The Group will keep a close eye on the industry trends and move quickly to allocate our resources on the businesses that will better position ourselves to capture growth opportunities when the business sentiment improves. The Group will also take a prudent approach to look for new business opportunities to diversify its business in order to generate better returns for the shareholders of the Company.

#### PURCHASE, SALE OR REDEMPTION OF LISTED SECURITIES

During the six months ended 31 December 2023, neither the Company nor any of its subsidiaries purchased, sold or redeemed any of the Company's listed securities.

#### **AUDIT COMMITTEE**

All members of the Audit Committee are independent non-executive directors, including Mr. Tam Ching Ho (the Chairman), Mr. Fung Chi Kin and Professor Lin Shun Quan. They possess appropriate professional qualifications, accounting or related financial management expertise as required under the Listing Rules.

The Audit Committee has reviewed the Interim Financial Report.

#### **CORPORATE GOVERNANCE**

The Board recognises that good corporate governance will not only safeguard the interests and assets of the Company and deliver long-term return to our shareholders, but will also lay a good foundation for sustainable growth of the Company. During the six months ended 31 December 2023, the Company has complied with the applicable code provisions set out in the Corporate Governance Code (the "CG Code") contained in Appendix C1 to the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Listing Rules"), except for the deviation stated below:

#### Code provision C.2.1 of the CG Code

Under code provision C.2.1 of the CG Code, the roles of chairman and chief executive should be separate and should not be performed by the same individual. Mr. Kwok Ho held and is currently performing both the roles of Chairman and Chief Executive Officer of the Company. The Board considers that Mr. Kwok, as the founder of the Group, has profound knowledge and expertise in agricultural business. Under the present structure, the Group can enjoy the benefit of strong and consistent leadership in the development and execution of the Group's business strategies in the most efficient and effective manner. The Board will review and assess such arrangement from time to time to keep a balance of power and authority.

#### Code provision F.2.2 of the CG Code

Under code provision F.2.2 of the CG Code, the chairman of the board should attend the annual general meeting. Mr. Kwok Ho, the chairman of the Board, was absent from the annual general meeting held on 15 December 2023 due to the business engagement. Mr. Ip Chi Ming, a non-executive Director and the elected chairman of that meeting, was available to answer questions in that meeting.

The Board will constantly review the corporate governance policies of the Company and adopt such practices and procedures as considered by it to be appropriate and in the overall interests of the Company and our shareholders as a whole from time to time.

#### MODEL CODE FOR SECURITIES TRANSACTIONS

The Company has adopted the Model Code for Securities Transactions by Directors of Listed Issuers (the "Model Code") set out in Appendix C3 to the Listing Rules as its code of conduct regarding securities transactions by the Directors. All Directors, after specific enquiries by the Company, confirmed that they had complied with the required standard set out in the Model Code throughout the six months ended 31 December 2023.

On behalf of the Board **Kwok Ho** *Chairman*
