The Directors consider that the Subscription represents an opportunity to raise additional funding for the Group's business operation and it will also strengthen the capital base and financial position for the Group's future business developments and broaden the Shareholder base of the Company. Furthermore, the Directors considers that the Subscription is a preferred method of fund raising as compared with other equity fund raising exercises based on time and costs involved.

Gross proceeds from the Subscription will be approximately HK\$96.8 million. The net proceeds from the Subscription, after deducting the expenses payable by the Company is expected to be approximately HK\$96.5 million. It is expected that the net proceeds from the Subscription will be used by the Company for the Group's business development and general working capital purposes.

The Directors (including the independent non-executive Directors) consider the terms of the Subscription Agreements, which were negotiated on an arm's length basis and agreed on normal commercial terms between the parties involved, are fair and reasonable, and the Subscription is in the interests of the Company and the Shareholders as a whole.
