### **THE SHAREHOLDERS' AGREEMENT**

The JV Parties have entered into the Shareholders' Agreement on 13 May 2015 relating to incorporation of the Joint Venture Company in Hong Kong. The principal terms of the Shareholders' Agreement are as follows:-

#### **Date**

13 May 2015

## **Parties:**

- (i) China Silver Group Holdings Limited (“China Silver”) (a wholly owned subsidiary of the Company), which is principally engaged in investment holdings;
- (ii) Bright Day Development Limited (“Bright Day”), which is principally engaged in property development and logistic business; and
- (iii) Teng Hong Investments Limited (“Teng Hong”), which is principally engaged in investment holdings.

To the best of the Directors’ knowledge, information and belief and after making all reasonable enquiries, Bright Day and Teng Hong and their ultimate beneficial owners are third parties independent of the Company and its connected persons.

## **Principal terms**

### ***Purpose of the Joint Venture Company***

The parties have agreed to set up the Joint Venture Company in Hong Kong with principal activities of leasing of logistics warehousing facilities and related businesses in Hong Kong.

### ***Total issued share capital***

The initial issued share capital of the Joint Venture Company will be HK\$10,000, which will be owned as to 40% by China Silver, as to 40% by Bright Day, and as to 20% by Teng Hong upon incorporation of the Joint Venture Company within one month after the date of the Shareholders’ Agreement (or any other period as agreed by the JV Parties).

1. Before full repayment of the Loan

- 90% of available funds for the repayment of the Loan.
- 10% of available funds as reserve for working capital.

2. After full repayment of the Loan

More than 70% of the distributable profit will be distributed to the shareholders of the Joint Venture Company for every financial year.

### ***Transfer of shareholdings in Joint Venture Company***

When any shareholder of the Joint Venture Company (the “Offeror”) intends to dispose of its shareholding in the Joint Venture Company, it has to give written offer to the other shareholders. The other shareholders has pre-emptive right to purchase the shareholding offered to be disposed of from the Offeror on the same proposed terms.

## **REASONS FOR AND BENEFITS DERIVED FROM THE FORMATION OF THE JOINT VENTURE COMPANY**

The Group is principally engaged in distribution, retail of wine, liquor and green food products. By entering into the Shareholders’ Agreement, the Company is able to diversify its existing business into the business of leasing of logistics facilities and the related businesses. The Directors expect that the diversification can bring along new revenue to the Group.

The terms of the Shareholders' Agreement were negotiated between the parties at arm's length. The Directors believe that the terms of the Shareholders' Agreement are on normal commercial terms and are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

## **IMPLICATIONS UNDER THE LISTING RULES**

As certain applicable percentage ratios for the Shareholders' Agreement exceed 5% but all are less than 25%, the formation of Joint Venture Company under the Shareholders' Agreement constitutes a discloseable transaction for the Company and is subject to the disclosure and announcement requirements under Chapter 14 of the Listing Rules.
