INFORMATION ON THE COMPANY

The Company is principally engaged in the production and distribution of ethanol and distribution and retail sales of wine and liquor in the PRC. The Group operates a production facility in Harbin, PRC for premium consumable ethanol, industrial ethanol and other food and feed ingredients. The Group also operates a multi-brand sales network for wine and liquor in the PRC. After Completion, the Group's core business will not change and the Group will continue its existing business operation.

REASONS FOR THE PROPOSED ACQUISITION

The Company is principally engaged in the production of premium grade consumable ethanol in the PRC. In October 2009, the Group obtained the licences to use the 不倒翁 (Budaoweng) brand and 北國春 (Beiguochun) brand for the production and sale of liquor in certain regions in the PRC, including but not limited to Heilongjiang, Jilin and Guangdong Provinces. Building on the Group's ability to produce high-quality consumable ethanol and leveraging on the Group's rights to use the two licensed liquor brands in China, the Directors believe that investment in the Target Group will provide a good opportunity for the Group to increase its market share in the PRC alcoholic beverage markets through the Target Group, the operation of which will contribute to the income of the Group upon Completion.

The Directors believe that the Proposed Acquisition will also enable integration of the business of the Target Group with that of the Group, and will allow the Group to capitalise on the existing distribution network of the Target Group in the PRC, where the wine and liquor industry has experienced rapid growth and development in recent years. The Directors further believe that the Group will be able to benefit from the existing management infrastructure and other resources of the Target Group, which will help to strengthen the Group's business.

The Directors consider that the investment in the Target Group will allow the Company to diversify its business and reduce the Company's reliance on the ethanol production business.

The Directors are of the view that the terms of the Sale and Purchase Agreement, including the consideration for the Proposed Acquisition, are fair and reasonable, and in the interests of the Company and the Shareholders as a whole. The Directors consider that the issue of the Consideration Shares as consideration for the Proposed Acquisition is in the best interest of the Shareholders as a whole and is a preferred financing method for the Company given that the Company will not need to use substantial amount of its existing cash resources to fund the Proposed Acquisition.

GENERAL

The EGM

The EGM will be convened at which resolutions will be proposed to seek the approval of the Shareholders by way of poll for the Sale and Purchase Agreement, the transactions contemplated thereunder and the allotment and issue of the Consideration Shares to the Vendor under a special mandate.

Since additional time will be required for preparation of the accountants' report of the Target Group and the valuation report of the Distribution Rights and the Trademark, the Company expects that the circular will be despatched on or before 16 August 2010.

AS COMPLETION IS SUBJECT TO THE FULFILMENT (OR IF APPLICABLE, WAIVER) OF THE CONDITIONS, THE PROPOSED ACQUISITION MAY OR MAY NOT PROCEED.
