

China Comservice Ranked 14th in "The Most Innovative Chinese Companies 2012" Released by FORTUNE China

China Communications Services Corporation Limited has recently been ranked 14th by FORTUNE China in its 3rd "The Most Innovative Chinese Companies 2012". The 25 most innovative Chinese companies were selected among the "Fortune China 500" companies, and they were judged according to their financial performance in the past three years, and then judged by a professional panel based on five judging criteria including innovative environment, innovation of technology, managerial innovation, product and sales innovation and innovation of corporate competitiveness.
