

## China Comservice Won Gold Award Again in "The Asset Corporate Awards 2012"

China Communications Services Corporation Limited was awarded Gold Award - Financial Performance, Corporate Governance and Investor Relations in "The Asset Corporate Awards 2012" organized by the authoritative financial magazine, *The Asset*.

The awards are designed to recognize listed companies across Asia with outstanding performance, and take into account disclosed information from the companies as well as feedback from institutional investors. The Asset Corporate Awards not only recognize the companies in financial performance, but also evaluate and award companies in different categories according to the quality of their corporate governance, social responsibility, environmental responsibility and investor relations, in order to recognize the importance of sustainable growth.

It is the fourth consecutive year that China Comservice won awards from "The Asset", and the third consecutive year that the Company won the Gold Award. The awards well witnessed our overall excellent performance in the past years, and showed the capital market's strong recognition on our outperformed achievements in areas such as corporate governance and investor relations.
