

China Comservice's 2013 Annual Report Won Gold Award and Silver Award in "2014 International ARC Awards"

China Communications Services Corporation Limited's 2013 annual report won Gold Award in "Interior Design" and Silver Award in "Printing & Production" in "2014 International ARC Awards".

"International ARC Awards" is the "Academy Awards of Annual Report", according to the financial media. Organized by MerComm, Inc., an independent award organization, it is now the largest competition honoring excellence in annual reports. The judging criteria include the value of creativity, clarity, effectiveness and excellence.
