

China Comservice Won Gold Award Again in "The Asset Corporate Awards 2014"

China Communications Services Corporation Limited was awarded Gold Award - Financial Performance, Corporate Governance and Investor Relations in "The Asset Corporate Awards 2014" organized by the authoritative financial magazine, *The Asset*.

The awards are designed to recognize listed companies across Asia with outstanding performance, and take into account disclosed information from the companies as well as feedback from institutional investors. The Asset Corporate Awards not only recognize the companies in financial performance, but also evaluated and awarded companies in different categories according to the quality of their corporate governance, social responsibility, environmental responsibility and investor relations, in order to recognize the importance of sustainable growth.

China Comservice won the Gold Award from *The Asset* for many years. The awards well witnessed our overall excellent performance in the past years, and show the capital market's strong recognition on our outperformed achievements in areas such as corporate governance and investor relations.
