

China Comservice First Won Platinum Award in "The Asset Corporate Awards 2016"

18 Jan 2017

China Communications Services Corporation Limited was awarded Platinum Award – Excellence in Governance, CSR & Investor Relations Benchmarking in "The Asset Corporate Awards 2016" organized by the authoritative financial magazine, *The Asset*.

The Asset is a renowned finance magazine in Asia, and has about 20 years of experience conducting awards programs. The awards are designed to recognize listed companies across Asia with outstanding performance, and take into account disclosed information from the companies as well as feedback from institutional investors, analysts and industry experts. The Asset Corporate Awards not only recognize the companies in financial performance, but also evaluated and awarded companies in different categories according to business acumen, corporate governance, social responsibility, environmental responsibility and investor relations, in order to recognize the importance of sustainable growth.

China Comservice first won the Platinum Award from *The Asset*. The awards well witnessed our overall excellent performance in the past years, and show the capital market's strong recognition on our outperformed achievements in all the above assessment areas.
