

China Comservice's Website Won Gold and Silver Awards in the "2016 Galaxy Awards" and a Bronze Award in the "2016 iNova Awards"

24 Jan 2017

The revamped website (www.chinaccs.com.hk) of China Communications Services Corporation Limited won the Gold Award in "Investor Relations – Revamped Website" and the Silver Award in "Telecommunications – Corporate Website" in the "2016 Galaxy Awards", as well as the Bronze Award in "Website Redesign/Relaunch – Investor Relations" in the "2016 iNova Awards".

The "2016 Galaxy Awards" and the "2016 iNova Awards" are organized by MerComm, Inc., one of the world's most reputable and independent organization dedicated to defining the standards of excellence in the corporate communications fields. China Comservice won the website awards in this year's competition, where the awards are granted by the judging panel consisted of worldwide top-tier industrial professionals and the award winners were selected based on the integrated representation of concept, content, creativity, ease of navigation, design and functionality of the website.
