

China Comservice Honored with "Best IR Website" by *IR Magazine*

20 Dec 2017

China Communications Services Corporation Limited was honored with the "Best IR Website" award in the IR Magazine Awards - Greater China 2017 organized by *IR Magazine*, a renowned international magazine focusing on investor relations.

IR Magazine is a global publication that focuses on the interactions between companies and their investors, and helps investor relations professionals achieve more in their IR programs, benchmark their efforts and connect to the global IR community. The "Best IR Website" award mainly considers factors such as users' experience, engaging content or multiplatform access. The award is selected by an esteemed panel of judges based on the scores on the given criteria and the judges' discussion.
