PROFIT WARNING

This announcement is made by Beaver Group (Holding) Company Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM (the “**GEM Listing Rules**”) of The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) and the Inside Information Provisions (as defined in the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders (the “**Shareholders**”) and potential investors of the Company that, based on a preliminary review of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2021, the Group is expected to record a net loss ranging from approximately HK\$10 million to approximately HK\$11 million for the six months ended 30 September 2021 as compared with a net loss of HK\$2.4 million for the corresponding period in 2020. The Board considers that the increase in net loss was primarily attributable to (i) the provision for impairment of trade and retention receivables; (ii) the decrease in gross profit due to increase in subcontractor costs; and (iii) the decrease in other income as a result of absence of subsidies of the Employment Support Scheme under the Anti-epidemic Fund, set up by the Hong Kong Government.

The Company is still in the process of finalising the interim results of the Group for the six months ended 30 September 2021. The information contained in this announcement is based on the preliminary assessment made by the Board with reference to the information currently available and the unaudited consolidated management accounts of the Group for the six months ended 30 September 2021, which have not been audited nor reviewed by the Group’s auditor and have not been confirmed by the audit committee of the Board and may be subject to adjustment. Shareholders and potential investors of the Company are advised to read carefully the interim results announcement of the Company, which is expected to be released on 9 November 2021.

The Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
