The Target Company has been accounted for as a wholly-owned subsidiary company of the Company, its financial results have been consolidated in the Group's financial statements since the acquisition of the 100% equity interest in the Target Company by the Group in April 2017. Upon completion of the Disposal, the Group would hold 40% equity interest in the Target Company. The Target Company will cease to be a subsidiary and will become an associate of the Company.

The Company is expected to record a gain on Disposal. For illustrative purpose, based on (i) the carrying amount of the Group's 60% interest Target Company (being the subject of the Disposal) as at 31 December 2018 was approximately HK\$(154,309,000); (ii) the Consideration of RMB20,000,000 (equivalent to approximately HK\$22,579,000; and (iii) the estimated professional fees attributable to the Disposal of approximately HK\$1,000,000, it is expected that the Company will record a gain (before considering any tax impact) of approximately HK\$175,888,000 from the Disposal, and the gain on Disposal would be recognised in the consolidated statement of profit or loss and other comprehensive income of the Group upon the completion of the Disposal. However, the actual amount of gain or loss as a result of the Disposal to be recorded by the Company will be subject to the final audit by the auditors of the Company.

REASONS FOR THE DISPOSAL AND USE OF PROCEEDS

The Company is a company incorporated in Bermuda with limited liability and is an investment holding company. Its subsidiaries are principally engaging in the shipbuilding related business, trading business, finance leasing business, intelligent car-parking and automotive device business and steel structure engineering and installation business.

As disclosed in the annual report of the Company for the year ended 31 December 2018, the Group has been focusing on investment in the real economy for more than a decade, especially shipbuilding business. The continued downturn in the global shipping and shipbuilding industries, as well as the recent pressure on the real economy and private enterprises in the PRC, have brought tremendous pressure to the Group's shipbuilding business and affected other businesses of the Group. In 2018, the integration of the shipbuilding industry and the redeployment of resources were the major tasks of the Group. In addition to the acceleration of the disposal of vessels with delayed delivery, and partnering up with other shipbuilding companies to continue with the construction of incomplete vessels, the Group also handled the historical issues of the shipbuilding business by steps, to shake off the burden as soon as possible, which created a good environment for its business reorganization.

In light of the above, the Directors consider that the Disposal will enable the Company to reallocate its resources to other existing businesses of the Group. In addition, the Disposal will enable the Group to reduce its liabilities and alleviate its financial positions.

The gross proceeds and net proceeds of the Subscription will be approximately HK\$22,579,000 and HK\$21,579,000 respectively. The Company intends to apply the net proceeds as general working capital of the Group.

The Directors consider that the Share Purchase Agreement and the transactions contemplated thereunder have been agreed under normal commercial terms and after arm's length negotiations, and accordingly are in the interests of the Company and its Shareholders as a whole.

IMPLICATIONS UNDER THE LISTING RULES

As one or more of the applicable percentage ratios (as defined under the Listing Rules) in respect of the Transfer exceeds 25% but all of them are less than 75%, the Disposal constitutes a major transaction of the Company under Chapter 14 of the Listing Rules and is therefore subject to the reporting, announcement and Shareholders' approval requirements under Chapter 14 of the Listing Rules.

GENERAL

The SGM will be convened for the Shareholders to consider and, if thought fit, to approve the Share Purchase Agreement and the transactions contemplated under it.

A circular containing, among other things, (i) further information relating to the Disposal; (ii) a notice convening the SGM; and (iii) other information required to be disclosed under the Listing Rules, will be despatched to the Shareholders on or before 4 July 2019 as additional time is required to prepare and finalise the circular.
