

Changshu Electric Power Holds Education Sponsorship Activity for 17 Consecutive Years

On 22 March, the volunteers of Changshu Electric Power participated in the education sponsorship activity in Lianshui County, Jiangsu. They sent care and materials to the children who are sponsored. The company has held the event for 17 consecutive years.

Over the years, guided by the voluntary service brand of SPIC “Yingshanhong”, the company has organized a series of voluntary activities such as “Join Hands to Send Love”, sponsored more than

300 underprivileged students through partnership assistance, regular visits and signing of education sponsorship agreements, donated over RMB420,000 to more than 40 schools and offered assistance to Changshu and other poor counties in Lianshui County, Jiangsu. As a state-owned enterprise, it has built a good social image.
